

A blurred photograph of a classroom. In the foreground, several students are seen from behind, sitting at desks. They are wearing various colored shirts, including a blue and white striped shirt, a pink shirt, and a purple shirt. In the background, a teacher in a white shirt is standing at the front of the room, possibly pointing at a whiteboard. The overall scene is out of focus, creating a sense of a busy, active learning environment.

2021-2022 Academic Catalog

About CCCB

Who We Are

Letter from the Vice President of Academics

This is not just a college catalog. It's a map. It's a map that will guide you over the next several years on a journey of exploration. You will explore God's Word, receiving more instruction in Scripture over the next four years than the average Christian receives in a lifetime. You will explore your vocation, not just career or job, but you calling; whether that's to a ministry within a congregation or a witness in the marketplace. You'll explore the world, whether that's through relationships built with faculty and staff, or through interactions with your fellow students who have come from across the state, nation, and globe; not to mention the opportunity for

mission trips. However, you will also explore yourself, your identity in Christ, your place in His work, your gifts and talents, and how you fit into God's work in this world.

Central Christian College of the Bible has the pleasure of being your guide on this journey of exploration. The catalog contains vital information about each of our degree programs, the pathway your journey will take over the next two to four years. It introduces you to the institution (your future alma mater) and the faculty. It also contains information that will assist you along the way such as policies and procedures to make your travel more enjoyable.

I was installed as vice president of academics at Convocation in August 2019. My message that evening came from Romans 15:7, "Therefore, accept one another, just as Christ also accepted us to the glory of God" (NASB). Most importantly, regardless of how long your tenure at CCCB may be, we want to form a community that is distinctively Christian, one that is centered on Christ, devoted to His Word, and the work of disciple-making. This catalog reminds us that we are also a learning community and that the path has been set before us by those who have traveled ahead of us to prepare us for the next journey - eternal life!

In Service to the King,
James Riley Estep, Jr., D.Min., Ph.D.

Mission, Vision & Values

Mission

Central Christian College of the Bible exists to develop **servant-leaders for the church**. As a distinctive undergraduate Bible college, CCCB equips men and women for leadership in the kingdom of God both nationally and internationally.

CCCB seeks spiritually-minded students who actively participate in their local congregations, are curious in their pursuit of good information, and desire to become equipped with the knowledge, attitudes, and skills for vocational and volunteer church leadership positions.

CCCB provides degrees and certificates that equip students with a Bible-centered higher education within the context of a Christian worldview and helps students become productive, contributing members of their communities.

Affiliated with the Restoration Movement, CCCB seeks to graduate faithful servant-leaders distinguished by authentic Christian character, who have the ability to communicate the Gospel effectively and become disciple-makers worldwide. This mission obeys the biblical mandates of 2 Timothy 2:2, "Pass on what you heard from me...to reliable leaders who are competent to teach others" (The Message) and Matthew 28:19, "Go, therefore, and make disciples of all the nations..." (NASB).

Vision

Our vision is for the servant-leaders we produce to be **dedicated disciples who know God's word and serve His kingdom**. The vision includes enrolling students who display dedication in their walk with Christ. Our work helps them develop in their discipleship while they are enrolled to prepare for a lifetime of dedication to Christ. regarding God's word, our students will thirst for biblical truth, trust in its inspired authority, and train others to understand it. They serve the kingdom through ministry careers, volunteer capacities, and vocational contexts. These are the key areas where we work to develop servant-leaders.

Values

Our students, staff, and faculty work to support this statement of cultural values: **a ministry community of servant-leaders, growing together in grace and truth**. Our College is also committed to the following core values:

Heritage of Biblical Authority

We continue the legacy of New Testament Christianity within the restoration Movement and CCCB.

Discipleship in Community

We forge personal transformation through spiritual mentorship in a mutually supportive environment.

Prayerful Ministry

We ask God's blessing upon every opportunity for leadership and service in the church and in the world.

Inspired Achievement

We challenge students to accomplish life-changing outcomes by reaching their potential and leading others.

Kingdom Collaboration

We work with other organizations to benefit enrollment, local church success, and kingdom growth.

Personalized Attention

We treat each constituent in ways appropriate to their needs, abilities, and plans.

Affordable Opportunities

We offer access to excellent and relevant academic programs and personal development experiences.

Institutional Goals

Sound Operations

CCCB preserves its health through financial stability, modern facilities, and viable programs.

Student Outcomes

CCCB produces dedicated disciples who know God's Word and serve his Kingdom.

Strategic Opportunities

CCCB plans for future success through attractive programs, formative experiences, productive partners, and supportive resources.

Accreditation

CCCB is an accredited Institution with the Commission on Accreditation of

The Association for Biblical Higher Education

5850 T. G. Lee Blvd, Ste 130, Orlando, FL, 32822
(407) 207-0808 • abhe.org

ABHE is also listed by the United States Department of Education as a recognized agency for higher education. ABHE is recognized by the International Council for Evangelical Theological Education, the theological education affiliate of the World Evangelical Alliance. The Association's member institutions are

recognized by the Department of Justice, the Veteran's Administration, and other relevant federal agencies in the United States.

ABHE is recognized by Council for Higher Education Accreditation (CHEA), the national accrediting organization that serves as an umbrella over all recognized accrediting bodies.

Approval Educational Status and Funding

As a result of being listed in the Directory of Higher Education, CCCB is approved by the Missouri Department of Higher Education for certification and distribution of veteran's benefits, allowing veterans to receive all the benefits they have earned by serving our country.

Since CCCB is a United States Department of Education approved institution, CCCB students are eligible for participation in federal grant and loan programs. CCCB participates in the Pell Grant program, the work study program, the Federal Supplemental Educational Opportunity Grant program, and the Federal Direct Loans and Parent PLUS Loan programs.

Churches

Churches have indicated their approval of CCCB by their support in financial gifts, by sending men and women to be trained for Christian service, and by employing CCCB alumni.

Affiliation

We are affiliated with the Restoration movement and the resulting Christian churches. These are non-denominational independent churches governed by the congregation that value a return to the church as written about in the New Testament. Because of this background, we hold a deep value in the authority of the inspired word of God and its authoritative voice in our lives today.

Theological Affirmations

The faculty of Central Christian College of the Bible ascribe to the following theological affirmations. Students are expected to be able to know CCCB's positions on these topics while coming to their own biblical conclusions.

1. The one God (Yahweh) exists eternally in the three persons of Father, Son, and holy Spirit (Matt 28:19; 2 Cor 13:14).
2. Scripture is inspired, wholly without error in the original manuscripts, and the sole authority for the Christian's faith and practice (1 Tim 3:16; 2 Pet 1:19-21; John 10:35, 17:17; 1 Cor 2:12-13).
3. All that exists was created by God; He made humanity in His own image (Gen 1:1-27; Matt 19:4).
4. Adam and Eve's disobedience introduced sin and death to all mankind, who fall short of God's glory because of their own sin (Gen 3:1-19; Rom 3:23, 5:12-14).
5. Jesus Christ, God incarnate, was born of a virgin, tempted but without sin, fully human and fully divine (Phil 2:5-11; John 1:1-15; Isa 7:14; Luke 1:26-35; Heb 4:15).
6. The atoning death of Christ on the cross and his bodily resurrection from the grave demonstrate God's love and provide forgiveness and eternal life (Rom 5:6-11; 1 Cor 15:3-11).
7. By God's grace, salvation is available to all people, through personal faith in Christ, at the immersion of a penitent believer (Rom 3:21-25, 6:1-14; Gal 3:26-29; Eph 2:8-10; Acts 2:38).
8. The holy Spirit inspired the authors of Scripture and miraculously empowered apostles and prophets to be the foundation of the church. Today, the holy Spirit convicts the world of sin, regenerates believers, and indwells them for comfort, sanctification, and Kingdom service (2 Pet 1:19-21; John 3:5-8, 16:8-11; Titus 3:5-7; Gal 5:16-25; 1 Cor 12:4-7; Eph 2:20).
9. The bodily return of Christ will bring the resurrection of the dead and the final judgment of the righteous to eternal life and the wicked to everlasting destruction (Matt 24:29-51; 1 Cor 15:50-58; 2 Thess 1:9; Rev 20:7-15).
10. Christ has called the church to be holy, to carry out his Great Commission, and to build up all Christians. Each local congregation should be autonomous and unified, following the model of the New Testament church in government and practice (Matthew 16:18, 19, 28:18-20; Ephesians 4:16ff.).

CCCB also ascribes to the Tenets of Faith shared by all members of the Association for Biblical higher Education (abhe.org/about-abhe/tenets-of-faith).

History

History

Central Christian College of the Bible was founded in February of 1957, when the board of directors, led by chairman O. S. Lincoln, unanimously declared and affirmed that "the purpose of the school is to recruit and train leadership for the church at large, according to the New Testament teaching." CCCB remains exclusively committed to pursuing this purpose.

Through the years, growth has come in facilities and resources. From 1957-1968 the campus was located east of downtown Moberly on Ault Street. In 1968, CCCB moved to its present campus in southeastern Moberly.

CCCB expanded its kingdom influence by launching a robust online program in 2011 and an extension site in Florence, Kentucky, in 2020.

Graduates of CCCB are serving across the nation and around the world. CCCB's impact has become not merely regional, but global. With the worldwide placement of CCCB's graduates, alumni are serving the Lord's kingdom in the "uttermost parts of the earth."

Presidents

Several dedicated presidents have led CCCB in its history.

John W. Hall (1957-1959), a minister in Vandalia, Missouri, was charged with the task of setting the college in order. He selected the first faculty of five men, two of whom still teach for CCCB: **Lloyd M. Pelfrey** and **Gareth Reese**.

Grayson H. Ensign (1959-1966) made improvements in the administrative and bookkeeping procedures of the college. In addition, he was able to eliminate the first mortgage as well as purchase other property to provide room for expansion.

Walter L. "Jack" Spratt (1966-1972) led CCCB's acquisition of the current campus property. Several buildings were erected during that time, including a Cafetorium (a combined cafeteria, library, and assembly area) and dormitories, which also housed classrooms.

Lloyd M. Pelfrey (1972-1998) worked to eliminate the debts from construction. In 1980, Memorial Hall (later renamed Pelfrey Hall) was completed, which housed offices, classrooms, food services, and a gymnasium. Initial accreditation with the Accrediting Association of

Bible Colleges (now The Association for Biblical Higher Education) was received in 1982, with reaffirmations in 1987 and 1992.

Dr. Russell James (2000–2005) led CCCB's transition to the Full-Tuition Scholarship Program with careful planning and successful fundraising. This contributed to a period of rapid growth, culminating in the highest enrollment in the institution's history. During his tenure, the facilities were renovated and expanded. ABHE accreditation was reaffirmed in 2003.

Dr. Ron Oakes (2006–2013) led CCCB's pursuit of regional accreditation, resulting in candidate status in 2013. Under his leadership, the Walton Student Center was constructed, online education was developed, and ABHE accreditation was reaffirmed in 2013.

Dr. David Fincher (2014–present) has focused on connecting with alumni, defining the institution's vision, and implementing a five-year strategic plan.

Campuses

Moberly Campus

CCCB is located in the north-central Missouri city of Moberly, the largest town in Randolph County, with a population of approximately 13,000. Moberly is located at the intersection of Highway 63 and Highway 24. It is a short 30-minute drive from Columbia, the educational center of the state, and is within a reasonable drive of St. Louis, Kansas City, Iowa, and Illinois. Other educational opportunities in the immediate area are provided by Moberly Area Community College and an extension campus of Columbia College.

CCCB's property (911 East Urbandale Drive, Moberly Missouri 65270) is adjacent to Moberly High School and Moberly Middle School and is near Timber Lake Christian Church. To find the campus, take U.S. Highway 63 to Moberly and exit at Urbandale Drive/Route M. Follow the signs one mile west and the campus is on the north side of the street.

CCCB's campus features seven buildings and two outdoor athletic fields. Pelfrey Hall contains the dining hall, gymnasium, offices, and classrooms. The Reese Resource Center, completed in 2001, contains the library and bookstore. Spurling Hall, Lang Hall and Mabee Foundation Hall are residential halls. North of Pelfrey Hall is the maintenance facility. The Walton Student Center opened in Fall 2010 to provide a place for CCCB's student body to relax and fellowship together.

CCCB - Florence, KY

Located in Florence, Kentucky, CCCB's first extension site opened in summer 2021 at the Christian Church Leadership Center (8095 Connector Drive, Florence, Kentucky, 41042).

Educational Principles

Undergraduate Education

Undergraduate Education

Undergraduate education is post-high school education in a specific area of study in which the goal is a degree achieved. Students select an academic program and the degree they desire, and progress in the program is determined by credit hours completed.

Academic Program

A specific area of study. Students choose their own program of study through majors, minors, and certificates and through bachelor, associate, or master's degrees.

Credit Hour

An amount of work that includes one contact hour of direct faculty instruction and two hours of out-of-classroom student work each week for approximately 15 weeks. Thus, a one-credit class requires approximately 45 clock-hours throughout the semester of lecture, recitation, discussion, seminar, or colloquium, or other classroom work, plus assignments and other activities outside the classroom.

Upon completion of a program, students will earn:

- Bachelor's degree
- Associate's degree
- Certificate

Certificate Programs

CCCB provides opportunities for students to earn certificates. A certificate is the recognition one receives for one year of work in an area of study. A certificate equips students for part-time or volunteer work in an entry-level position in the workforce. These shorter programs are available for vocational training, biblical knowledge, and specialized ministry opportunities. Though a certificate may be the main credential used when seeking employment, most likely it will be a supplemental credential that demonstrates the student has mastered basic material on a subject. CCCB offers five certificates:

- Certificate of Bible & Ministry (*see page 34*)
- Certificate of Biblical Knowledge (*see page 34*)
- Children's Ministry Certificate (*see page 51*)
- Teacher Preparation Certificate (*see page 39*)
- TESOL Certificate (*see page 44*)

Associate Degrees

An associate degree is the recognition one receives for two years of work in introductory areas of study. An associate degree equips students for part-time work in an entry-level position in the local congregation or community. Associate degrees give students an introduction to biblical studies along with another emphasis in two years of study. Students may continue their education at CCCB or elsewhere in pursuit of a bachelor's degree. CCCB offers the following associate degrees:

- Associate of Biblical Studies (ABS) (*see page 34*)
- Associate of Professional Studies (APS) (*see page 54*)

Baccalaureate Degrees

A bachelor's degree is the recognition one receives for four years of work in a specific area of study. A bachelor's degree equips students for full-time work in an entry level or higher position in the workforce. CCCB offers three bachelor's degrees:

- Bachelor of Arts (*see page 22*)
- Bachelor of Science (*see page 23*)
- Bachelor of Religious Studies (*see page 23*)

BACHELOR OF ARTS

The Bachelor of Arts (BA) degree contains an undergraduate curriculum of 120 credits that includes both a Bible emphasis and a ministry major. The BA degree also requires 15 credit hours in the biblical

languages of Hebrew (Old Testament) and Greek (New Testament). This degree is designed to enable students to engage in biblical studies at the highest level to emphasize Bible teaching in their leadership ministry. It typically requires four years of full-time study to graduate. CCCB offers the BA degree with the following programs:

- Christian Counseling (*see page 35*)
- Christian Education (*see page 37*)
- Christian Ministries (*see page 40*)
- Cross-Cultural Ministry (*see page 42*)
- Preaching (*see page 47*)
- Youth & Family Ministry (*see page 51*)

BACHELOR OF SCIENCE

The Bachelor of Science (BS) degree is our most popular degree. It prepares students for entry-level professional employment in a church or parachurch ministry. The BS contains an undergraduate curriculum of 120 credits, including a Bible major and a ministry major. The BS degree typically requires four years of full-time study to graduate. CCCB offers the BS degree with the following programs:

- Biblical Ministry (*see page 34*)
- Christian Counseling (*see page 35*)
- Christian Education (*see page 37*)
- Christian Ministries (*see page 40*)
- Cross-Cultural Ministry (*see page 42*)
- Parachurch/Organizational Leadership (*see page 45*)
- Preaching (*see page 47*)
- Worship Ministry (*see page 49*)
- Youth & Family Ministry (*see page 51*)

BACHELOR OF RELIGIOUS STUDIES

The Bachelor of Religious Studies (BRS) degree is a 120-credit program for students who have earned significant college credit from a college other than CCCB. A student who transfers 60 hours of college credit or an associate degree can earn a BRS degree by taking 60 hours of credit from CCCB. The transfer credits may be taken before enrolling at CCCB, while a student attends CCCB (through a partner college), or after a student finishes CCCB's requirements. There are two versions of the BRS degree:

- Bachelor of Religious Studies—Christian Leadership (BRSL) (*see page 54*)
- Bachelor of Religious Studies—Missional Occupations (BRSMO) (*see page 54*)

Minors

Minors are an additional 15 credits of study, in which a student earns expertise in a field beyond the major. CCCB offers minors (*see page 63*) in:

- Biblical Languages
- Christian Communication
- Christian Education
- Cross-Cultural Ministry
- Pastoral Counseling
- Preaching
- Worship Ministry
- Youth & Family Ministry

Education Formats

CCCB utilizes many course and credit-earning formats to educate our students.

In-Seat

Courses CCCB offers most courses as in-seat courses. They meet on a weekly basis in a classroom. Some in-seat courses may include travel or attendance at a conference or event.

Online Courses

CCCB offers online courses that apply to degrees or certificates. These courses require Internet access and regular access to a computer. Online courses are taught by CCCB professors and last eight weeks.

Focused Courses

CCCB offers courses in a non-traditional format. These courses are week-long focused classes and eight-week focused classes. These courses are offered onsite in both Moberly and Kentucky campuses.

Internships

CCCB offers two types of internships, depending on the program in which the student is enrolled:

- Field Education Experience
- Christian Leadership Apprenticeship

Field Education Experience (FEE)

CCCB's FEE program provides the opportunity to serve in a located ministry under the supervision of an experienced leader. Most Bachelor of Science or Bachelor of Arts ministry programs require students to complete this program. The field education requirement is normally completed before or during the student's senior year. (*See also "Field Education Experience (FEE)"*)

Christian Leadership Apprenticeship (CLA)

Students seeking a BRS degree in Christian Leadership are required to complete a CLA. The apprenticeship program allows the opportunity for students to serve in various capacities under the supervision of faculty or staff or in a located ministry under the supervision of an experienced leader. (See also "*Christian Leadership Apprenticeship (CLA)*")

Independent Studies

To meet the individual needs of students, faculty may provide courses not offered in the regular schedule. Students are allowed to take an independent study course when a course required for graduation is not available. The instructor creates a syllabus which lists reading, writing, meeting, and testing assignments with a workload comparable to taking the course in the classroom. (See also "*Independent Studies*")

Program Requirements & Objectives

CCCB's undergraduate program has chosen to divide its curriculum into three areas. Each area contributes to the success of others. Students who complete a degree demonstrate achievement of key objectives in the areas of:

- Biblical Studies
- General Studies
- Professional Studies

Programs follow a progression from introductory/beginning to focused/advanced courses. The introductory/beginning courses are a necessary foundation for the focused/advanced courses.

BIBLICAL STUDIES

In order to serve our mission and vision, we help students grow in their knowledge and skills for understanding and applying the teachings of the Bible in a variety of contexts. Graduates have a strong foundational knowledge of the content of Scripture, utilize sound principles of biblical interpretation, gain contemporary skills for ministry, and apply the knowledge, principles, and skills learned in their personal and professional lives.

Requirements

Our mission leads us to emphasize biblical studies in our curriculum. **ABHE accreditation** requires at least 30 Bible and theology credits in a bachelor's degree. Biblical studies courses are offered in the areas of:

- New Testament (see page 71)
- Old Testament (see page 73)
- Theology (see page 74)

The BA and BS degrees include a Bible major of 51 credits and the BRS degrees include a Bible major of 33 credits. ABHE accreditation also requires at least 18 Bible and theology credits in an associate degree. All three of CCCB's associate degrees include 21-24 credits in biblical studies.

Student Objectives

1. Display knowledge of key Bible passages, characters, and events.
2. Affirm and defend the truthfulness of the Bible and Christian faith.
3. Discover the meaning and spiritual application of biblical texts through the historical-grammatical method of interpretation.
4. Identify the geographical, historical, linguistic, and cultural contexts of biblical events and books.
5. Explain the biblical teaching of major Christian doctrines.
6. Identify the biblical values that guide ethical conduct in life.
7. Articulate biblical principles of Christian life and leadership.

GENERAL STUDIES

Students equipped to interact with the global society need to have knowledge and understanding of common areas of study. General studies courses inform the student intellectually; providing knowledge, the ability to gain knowledge, and the ability to think critically. They inform the student practically; providing knowledge regarding communication, literature, and social science. They inform the student globally; providing knowledge concerning cultures and worldviews. General studies courses equip students to understand the liberal arts from a Christian worldview.

Requirements

Accreditation standards require a curriculum in humanities, arts, and sciences to provide a core of knowledge to students and accomplish our mission. General studies courses are offered in the following areas:

- Communication (see page 76)
- Literature & Arts (see page 80)
- Foreign Language (see page 78)
- History (see page 79)
- Mathematics (see page 80)
- Philosophy (see page 81)
- Science (see page 82)
- Social Sciences (see page 82)

The BA and BS degrees include 39 credits in general studies. The curriculum places emphasis on communication and social sciences because our graduates will be utilizing knowledge and skills in those areas in their employment. The BRS degrees include 42–45 credits in general studies, some of which are taken at CCCB, and most of which are transferred from other accredited college work. The associate degrees each include 18 credits in general studies to maximize communication and critical thinking skills in two years of study.

Student Objectives

1. Demonstrate basic knowledge in communication, the humanities, and social sciences.
2. Exhibit independent, critical, and creative thinking skills.
3. Locate and evaluate learning resources.
4. Recognize the contributions of various cultures to the human experience.
5. Communicate effectively through written and spoken methods.
6. Identify the values necessary to guide ethical conduct and social responsibility.
7. List characteristics and examples of servant-leadership.

PROFESSIONAL STUDIES

A servant-leader is informed, inquisitive, creative, and skilled. Professional studies courses take students on a journey from introducing various ministries as a profession to the concepts, attitudes, and skills that will help them be effective in their chosen field. Professional studies courses equip students for discipleship and entry-level vocational ministry. Professional studies courses are offered in:

- Christian Ministry (*see page 83*)
- Counseling (*see page 83*)
- Education (*see page 85*)
- Leadership (*see page 87*)
- Missions & Cross-Cultural Ministry (*see page 87*)
- Preaching (*see page 88*)
- Service and Leadership Training (*see page 90*)
- Worship Ministry & Music (*see page 88*)
- Youth & Family Ministry (*see page 90*)

Requirements

The BA and BS degrees require 30 credits of study toward professional studies. The BRS degrees require 42–45 credits, and the associate degrees include 18 credits.

Student Objectives

1. Display a breadth of general knowledge of ministry and leadership.
2. Determine biblical and effective approaches to ministry and leadership for the contemporary church.
3. Lead people to salvation in Jesus Christ and equip them for active service in the body of Christ.
4. Conduct a biblical ministry sensitive to historical, social, and cultural contexts.
5. Communicate the Bible clearly and contextually.
6. Identify the biblical values that guide ethical conduct in professional responsibilities.
7. Exhibit the character and gifts of a Christ-like servant-leader.

OBJECTIVES ASSESSMENT

CCCB is involved in an ongoing process of objectives assessment in accordance with the requirements of accreditation in higher education. The purpose of assessment is to evaluate learning objectives and the quality of the various programs, including the general education core. Students are expected to participate in assessment by giving their best efforts. Assessment results serve to improve the academic experience at CCCB.

Graduate Education

Graduate Degree

Graduate studies build on the education students have already received, and the experience they have already gleaned. The Master of Arts (MA) is a degree that requires integration: the integration of theology/Bible, pastoral studies, and the student's own ministry. The academic rigor of the program is greater than undergraduate education both in terms of expectations on preparations and assignments. The curriculum is indeed more integrated and requires a personal element of theological and pastoral reflection on the content of instruction. Likewise, the curriculum is not only comprised of more focused content, but the processing of the content requires more significant engagement of the information both cognitively and affectively, ultimately applying itself to how the student does ministry in his or her congregation.

An intentional aspect of CCCB's approach to graduate studies includes the formation of a network of resources. This is accomplished by engaging the personnel associated with partner organizations and individuals actively engaged in diverse disciplines in ministry, which adds not only to the learning experience in the classroom, but also outside the classroom.

CCCB accepts select master's-level courses into the MA programs, and any of CCCB's certificates can be added to them.

CCCB offers the MA degree with the following programs:

- Ministry Leadership

Education Format

The Master of Arts degrees employ a unique three-format learning model:

Online

Eight-week online courses offered in partnership through Hope International University.

On-Campus

A week-long intensive course on CCCB's campus in Moberly allows students to work collaboratively with their peers and network within their constituency.

Onsite

Coaching and mentoring at the student's place of ministry.

Partnerships

Educational Partnerships

CCCB partners with other institutions to collaboratively provide programs that require a combination of credits from CCCB and concentrated training from the partner.

MOBERLY AREA COMMUNITY COLLEGE

Moberly Area Community College (MACC) (macc.edu) provides career programs through their seven sites and online. They offer a wide assortment of vocational certificates and degrees that may be used as the professional studies requirement of the APS or BRS degrees. MACC is accredited by the *Higher Learning Commission* (hlcommission.org).

INDIANA WESLEYAN UNIVERSITY

With more than 20 Bachelor degree programs, and special emphasis of study, to choose from, CCCB's partnership with *Indiana Wesleyan University (IWU)* (indwes.edu) provides students with the training they need to serve Jesus in almost any area of today's

marketplace. Exciting degree options like Healthcare Administration, Cybersecurity, Early Childhood Education, Business Administration, Information Technology and Addictions Counseling are available through IWU's accelerated online program. IWU is accredited by the *Higher Learning Commission (HLC)* (hlcommission.org).

HOPE INTERNATIONAL UNIVERSITY

Hope International University (HIU) (hiu.edu) delivers a variety of undergraduate and graduate programs through their campus in Fullerton California. Central's graduate students benefit from this partnership with their graduate studies program. A third, 12 credits, of CCCB's graduate program are provided through our partnership with HIU, and our MA is fully accepted into the M.Div. at HIU! HIU is accredited by the *Association for Biblical Higher Education (ABHE)* (abhe.org).

POINT UNIVERSITY

Point University (PU) (point.edu) is located in West Point, Georgia, offering both undergraduate and graduate programs. The courses comprising CCCB's major in Parachurch/Organizational Leadership program are borrowed from Point as part of our partnership with them, enabling CCCB students to prepare for ministry beyond traditional ministry vocations. PU is accredited by the *Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)* (sacscoc.org).

Ministry Partnerships

CCCB partners with other ministries to enhance programs and courses with the specific expertise of the ministry.

RETHINK GROUP

reThink Group (thinkorange.com) believes that the combined influences of church and home make a greater impact than just the two individual influences. reThink partners with CCCB to offer a course that helps students rethink their ministry to leverage influence throughout the church.

E2: EFFECTIVE ELDERS

Located in Indianapolis, Indiana, the *e2: Effective Elders (e2) organization* (e2elders.org) seeks to equip elders for leadership in the local congregation. The leaders of e2 partner with CCCB to teach courses in the master's programs.

CHRISTIAN CHURCH LEADERSHIP NETWORK

The Christian Church Leadership Network (CCLN) (ccl.network), based in Florence, Kentucky, is a national network of churches and leaders that supports and empowers churches and leaders to thrive in ministry.

Courses

Course Numbering System

In the course numbering system for undergraduate courses, the first letter indicates each course's division:

- Biblical (B)
- General (G)
- Professional (P)
 - Co-Curricular Transcript (CCT)
 - Supervised Ministry Experience (SME)
 - Christian Leadership Apprenticeship (CLA)

The next two letters indicate subdivision, such as:

Communication Arts (CA)
Christian Ministry (CM)
Education (ED)
Greek Language (GL)
Hebrew Language (HE)
History (HS)
General Bible (IB)
Missions and Intercultural (MI)
Music (MU)
New Testament (NT)
Old Testament (OT)
Philosophy Studies (PS)

For graduate courses, the lettering indicates the program for which the course was created:

- Masters in Ministry Leadership (MML)

The three numbers indicate the level of the course:

- 100's are freshman-level
- 200's are sophomore-level
- 300's are upper-level or junior/senior-level
- 600's and 700's are master's-level

For example, BOT101 is in the Biblical Studies division, Old Testament subdivision, and is freshman level.

Admission & Aid

Admission Information

The Central Student

CCCB strives to enroll mission-fit students who actively participate in a local congregation, have the intellectual ability to study at the college level, and desire to become equipped with the knowledge, attitudes, and skills needed for vocational and volunteer leadership in the church.

Each applicant for admission is given personal attention and will be considered on the basis of:

- Personal attributes and character
- Previous academic performance
- Standardized test scores
- Recommendations from church leaders, teachers, or others who are familiar with their character and spiritual development
- Interest in and desire for Christian leadership and ministry

STATEMENT OF NON-DISCRIMINATION

CCCB does not unlawfully discriminate on the basis of race, color, sex, age, disability, national or ethnic origin in employment, admissions, financial aid, or participation in CCCB programs.

Applying to CCCB

CCCB evaluates each candidate for admission on an individual basis. Students are required to submit a completed and signed application form to the admissions office (cccb.edu/apply). The admissions office will accept noninstitutional applications as equal to the institutional application. Any other applications and their acceptability are subject to the approval of the director of admissions.

All credentials and documents submitted to CCCB in the application and admission process become the property of CCCB and will not be returned to the applicant or forwarded to other institutions. Documents may be returned to international students upon the discretion of the admissions and/or academic offices after certified copies are made.

Applicants who have been incarcerated must demonstrate acceptable personal attributes and character and an active relationship with a local

congregation as verified by the church leader reference for a minimum of one year immediately before enrollment.

Applicants who have been convicted of any law violation other than a minor traffic violation must provide a full explanation in order to be considered for admittance.

Applicants who were placed on disciplinary probation, suspended, or dismissed from a college or university must provide a full explanation in order to be reviewed for admittance.

Applicants who are admitted based upon false or incomplete information may be denied enrollment eligibility and/or dismissed from CCCB.

CCCB reserves the right to deny admission to any applicant whose academic history or personal qualifications are judged to be unsuitable for college work at CCCB.

An admitted student who demonstrates personal attributes or character that do not align with CCCB's core values, community covenant, or student code before enrolling in CCCB may be denied enrollment or enrolled with sanctions by the admissions committee based upon a review of the available information by CCCB's academic leadership team.

Undergraduate Admission

Admission Requirements

Prospective students desiring admission to pursue a certificate or degree at CCCB are typically expected to have completed the recommended college preparatory courses at an accredited secondary school or equivalent. A proper foundation to facilitate success in college-level studies will include:

- 4 years of English
- 3 years of mathematics
- 3 years of social studies
- 3 years of science

FIRST-YEAR ADMISSION

In addition to the application for admission, applicants for first-time degree seeking admission are required to submit the following materials:

1. Official high school transcript: Submit a transcript from an accredited high school or equivalent. It is the student's responsibility to request transcripts early in the application process and again when the coursework at the institution is completed. The

transcript should include a CGPA. See "**Enrollment Eligibility**" for guidelines with official final transcripts.

2. Official ACT or SAT results: For a student to be considered for acceptance to CCCB, students must submit a standardized test score from ACT and/or SAT.

Applicants for first-time degree-seeking admission will be considered for admission if they meet the following requirements through a three-tiered system of admissions.

Regular Admission

Requires both components:

1. Minimum composite ACT of 17 (SAT CR+M combined 940)
2. Minimum 2.0 high school GPA OR
3. Minimum composite ACT of 16 (SAT CR+M combined 900)
4. Minimum 3.0 high school GPA

Committee Admission

First-year applicants who do not meet the above criteria for admission may be sent for approval by the Admissions Committee. Students eligible for consideration by the admissions committee are also required to submit a personal statement and educator reference for consideration. This group will review, and approve or deny admission based on the following conditions:

- A high school GPA below a 2.0, regardless of ACT or SAT composite score

OR

- Composite ACT of 15 or below (SAT CR+M combined 810 or below)

Conditions on 1st semester:

- May take no more than 18 semester credit hours (3 hours are lab courses); online students are limited to only one course in the first two sessions of enrollment
- May be enrolled in remedial course instruction
- Must maintain **SAP**

Students admitted with conditions will be notified in their initial acceptance letter.

Denied Admission

Students denied by the admissions committee may be reconsidered for admission if the student provides updated information, such as a standardized test score or a transcript.

Saints Success Program

Students admitted to CCCB will be placed in the **Saints Success Program** based on these factors, regardless of admissions status:

- ACT (SAT equivalent) of 17 and below and a 3.29 GPA and below (only required to take **GCA031** Private Study Skills if English & reading subscores are 20 ACT and above)
- Any student with less than a 2.0 GPA (regardless of test score) will be enrolled in **GCA031** Private Study Skills.

TRANSFER ADMISSION

Students are considered transfer students if they can be classified in one of three ways:

- Matriculated full-time at a previous institution
- Have a minimum of 64 hours of college credit
- Completed an associate degree while enrolled in high school
 - Students with a completed associate degree upon completion of high school are considered for admission based upon a final high school transcript, ACT/SAT score, and college CGPA

In addition to the application for admission, transfer, and readmit applicants for degree-seeking admission are required to submit the following materials:

- Transcripts from all colleges/universities attended: Students attending any college or university prior to application to CCCB must submit transcripts from all colleges and universities attended, and again when the coursework at the institution is completed. Each transcript should include a CGPA. For a student to be considered for acceptance to CCCB, a minimum CGPA of 2.0 on a 4.0 scale must be submitted. Readmit students must submit transcripts from all colleges attended after leaving CCCB.
- Additional documents for consideration: If a transfer applicant has less than 24 hours of attempted college credit, a high school transcript and ACT/SAT is required for admission consideration.

Applicants for degree-seeking transfer admission will be considered for admission if they meet the following requirements through the admissions process.

Regular Admission

- 2.0 or higher CPGA

OR

- An evaluation of previously taken credits at a prior institution warrants additional review, regardless of CGPA

Committee Admission

For transfer applicants who do not meet the above criteria for admission. Students eligible for admission consideration by the admissions committee are also required to submit a personal statement and an educator reference for consideration. This group will be reviewed, and approved or denied admission by the admissions committee which has its own set of conditions:

- Below a 2.0 CGPA

OR

- An evaluation of previously taken credits at a prior institution warrants additional review, regardless of CGPA

Conditions on 1st semester: Enrolled in Student Success Program. Students admitted with conditions will be notified in their initial acceptance letter.

Denied Admission

Students denied by the admissions committee may be reconsidered for admission if the student provides updated information, such as a standardized test score, an updated transcript, or similar.

Student Success Program

Students admitted to CCCB will be placed in the **Saints Success Program** based on these factors, regardless of admission status:

- Students with less than a 2.0 CGPA will be enrolled in **GCA031** Private Study Skills
- Students with less than a 2.0 GPA and no previous college credit applied for the following courses will be required to take:
 - **BIB120** Discovering the Bible with Lab
 - **GCA151** English Composition I with Lab
 - **BNT101** Life of Christ I with Lab
 - **GCA031** Private Study Skills

READMISSION

Applicants seeking readmission to CCCB follow the same guidelines as transfer students, but may need to be considered by the appeals committee if they were on

academic suspension or academic probation when leaving CCCB. Readmit applicants are also required to gain approval not only from the academic services office, but also the student development office and the business office prior to admission.

- Readmit applicants are considered by the applicant's application, a church leader reference, and recommendations from the student development office and the academic services office.
- Returning students must be reviewed by each office and approved with or without stipulations. Possible stipulations include:
 - Academic sanctions as determined by the vice president of academics or acting agent. Based upon an applicant's academic standing with CCCB, the applicant may be admitted as a student on academic warning or academic probation.
 - Disciplinary sanctions as determined by the Dean of Student Conduct or acting agent. Based upon an applicant's disciplinary standing with CCCB, the applicant may be admitted with student life stipulations.

NON-TRADITIONAL ADMISSION

Students who are not graduates of accredited high schools may submit a GED (General Education Development) or a HiSET score in lieu of a high school transcript for evaluation and must earn the high school equivalency credential. These students are required to submit a personal statement and are subject to review by the admissions committee prior to an admissions decision.

Students who have graduated from high school, but have not attended a college, are not required to take the ACT or SAT test after five years have passed since their high school graduation.

Students that have been out of high school for more than five years and have less than a 2.5 high school GPA or do not meet the GED/HiSET requirement must be reviewed by the admissions committee.

INTERNATIONAL ADMISSION

International applicants, whether first-year, transfer, readmit, or online, have the same admission requirements as domestic students but are also required to be proficient in English. International students are also expected to demonstrate sufficient financial support to attend CCCB.

In addition to the application materials required for domestic applicants, international applicants are also required to provide the following materials for admission consideration:

1. Evidence of English competency: A Test of English as a Foreign Language (TOEFL) or an International English Language Testing System (IELTS) score is required.
 - a. Minimum TOEFL score of 500 (paper-based), 173 (computerbased), or 61 (internet-based). OR
 - b. Minimum IELTS score of 5.0. The TOEFL or IELTS can be waived if applicants:
 - i. Prior to review for admission, came from an English-speaking country.
 - ii. Have an ACT or SAT test score (acceptable).
 - iii. Have received a U.S. high school diploma or graduated from an international high school in their home country (with all English instruction).
 - iv. Enrolled for at least one semester at a college or university in the United States.
 - v. Completed an English as a Second Language program (ESL or ELL).
 - vi. Further requirements are reviewed on a case-by-case basis and could include an interview and writing sample.
2. Personal funding statement: A document demonstrating financial ability to attend CCCB and including sponsorship information.
3. I-134 Affidavit of Support: If student has a U.S. sponsor, this form must be completed to show that the sponsor can financially support the student to attend CCCB. If the student has a sponsor that is not a U.S. Citizen, a sponsorship and affidavit of support form is to be completed by the sponsor.

International students will be considered for admission on the respective tier of admission, based on whether they are a first-year student, transfer student, or a readmit student.

International students who do not meet the minimum English requirements will be enrolled in the **Saints Success Program** or could be enrolled in the program at the discretion of the academic services office.

NON-DEGREE STUDENTS

Non-degree students who desire to become certificate-seeking or degree-seeking students must complete the application process for degreeseeking students before taking additional classes. Because non-degreeseeking students are not pursuing a degree, these students are

required to complete a non-degree-seeking application for enrollment and discuss course registration options with the registrar.

CONCURRENT HIGH SCHOOL STUDENTS

Concurrent high school students may take up to 60 credits at CCCB. Students wishing to enroll at CCCB as a concurrent student must complete the concurrent student application online at cccb.edu/checklists/concurrent-high-school/.

Students are considered for the concurrent student program with the following requirements:

1. A sophomore, junior, or senior in high school
2. A minimum 2.75 CGPA

Students below the minimum standards of age, year in school, or GPA may be considered by the admissions committee for admission, but may be required to submit additional support information such as a letter of reference from an educator and/or a personal statement from the student.

Prior to enrollment, concurrent students must submit the following:

1. Parental consent form
2. An official high school transcript or homeschool transcript
3. Church leader reference

Enrollment Eligibility OFFICIAL FINAL DOCUMENTS

Based on record type, admitted students wishing to enroll at CCCB must submit documents to solidify enrollment eligibility.

- High school transcripts: An official final transcript verifying that secondary education requirements have been completed and thus indicated by a graduation date and signature by a school official.
 - An official homeschool transcript that verifies that the applicant has met the student's state requirements for high school graduation and that is signed by a parent.
 - An official transcript (in print or digital) of a high school equivalency test designated by a state as the state's high school equivalency test.
- Test scores: Submit an official ACT or SAT score report issued by the test provider directly to CCCB, either in print or included on an official high school

transcript (in print or digital). If the scores are not included on the applicant's high school transcript, students will need to request official scores to be sent to CCCB. International students must also submit official TOEFL and/or IELTS scores.

- Transcripts from all colleges/universities attended: Official final transcripts from all colleges and universities attended must be submitted, including dual credit course credits.
- AP/CLEP credit: Advanced Placement and/or College Level Examination Program official scores must be submitted.

ENROLLMENT FORMS

Prior to enrollment, the following documents or credentials are to be submitted for final enrollment in courses at CCCB.

- Registration form for all students
- Housing form for all resident students
- Complete, final, and official transcripts
- Completed registration materials
- Completed Enrollment Agreement
- Acceptable payment or arrangements for student account balances

Online students must also submit the following:

- Identity & statement of educational purpose form
- Notarized photocopy of a government issued photo identification

Federal student aid will not be disbursed until both the statement and the photo ID have been submitted to CCCB.

DOWN PAYMENT (ENROLLMENT FEE)

Degree-seeking onsite students (regardless of residency status) are required to pay a non-refundable \$100 down payment (previously referred to as an enrollment fee) to reserve their place in the classroom.

After two consecutive semesters after leaving CCCB, a readmitted student will need to pay the enrollment fee again. A CCCB student who has been granted a leave of absence will not be required to pay the enrollment fee again.

CHURCH LEADER REFERENCE

Students are required to provide at least one reference that attests to the personal attributes and character that are in alignment with the Community Covenant and the Student Code of Conduct as found in the CCCB Student Handbook. Church leaders include ministers officially

recognized by the congregation, Sunday school teachers, elders, deacons, pastors, FCA advisors, etc. References must not be related to the applicant.

- Reference forms must be submitted directly to CCCB either in print or digitally by the reference or be verified by CCCB by contacting the reference if received in other ways. All reference forms are valid for one year.
- Expired references may be validated at the time when the applicant's application is completed by CCCB at CCCB's discretion by contacting the reference.
- The director of admissions may choose to contact the church leader to confirm and validate the church leader reference and to ask additional questions of the reference.
- Students with a below-standard reference must be considered for enrollment eligibility by the admissions committee. A personal statement or a second reference may be requested from the student for further enrollment consideration.

DEADLINES

Admission deadlines for each semester can be found on CCCB's website. A paper copy can be made available upon request.

New or readmitted onsite students must have appropriate application materials completed and gain admission by the Wednesday prior to orientation.

Online students must have appropriate application materials completed and gain admission three weeks before the first day of the course.

Partnership Programs

ADVANCED PLACEMENT (AP)

CCCB accepts AP scores of 3 or higher for college credit in place of general studies courses. Each examination is worth 3 hours of college credit at CCCB. Students must request score documentation be sent directly to the admissions office.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

CCCB accepts CLEP scores of 50 or higher for college credit in place of required general studies courses. Each examination is worth 3 hours of college credit at CCCB. Students must request score documentation be sent directly to the admissions office.

CREDIT FOR TRANSFER FROM OTHER COLLEGES

Credits which are earned at accredited institutions and apply to a program at CCCB are fully accepted, provided that the grade for the course is a "C-" or above. CCCB accepts credits from all ABHE (see page 10) colleges. Comparable credits earned at non-accredited institutions may be accepted provisionally, subject to validation by the student satisfactorily completing 15 hours work at CCCB with a "C" (2.00) average.

Correspondence Credit

CCCB may accept a maximum of 30 hours of correspondence credit toward a degree, providing it applies to the student's degree program requirements, is listed on an official transcript from an accredited college, and has grades of "C-" or above.

Graduate Admission

Admission Requirements

Prospective students desiring admission to pursue a graduate-level degree at CCCB are expected to have completed a Bachelor's degree.

- Application for Admission: A \$100 non-refundable application fee must be submitted with the application.
- Transcripts from all undergraduate and graduate institutions attended with a minimum 2.5 GPA (preference is given to those with exposure to Christian higher education).
- Writing sample of work, received by admissions and reviewed by Program Director
- Interview with dean of graduate studies

A writing sample may be waived if GPA is above a 3.0 GPA with a bachelor's degree from a Bible college or candidate has work experience in ministry.

Students who do not meet any or all of the minimum requirements may be considered for admission by a subcommittee of the academic leadership team, which includes the vice president of academics, registrar, dean of student success, and dean of professional studies.

All candidates with completed applications will be admitted or denied after review by the director of admissions and the dean of graduate studies.

Financial Information

Financial Information

Students are expected to pay bills in a timely manner. Such financial integrity is expected of Christian leaders. To pay for living expenses and other costs, several different resources are available for students desiring an education at CCCB, such as internal and external scholarships, federal aid programs, and campus jobs.

Financial Aid

Financial Aid

Financial aid is money lent or given to students to help pay for the costs of attending college. A student's financial aid package and is managed by the financial aid office. That package may include:

- **Institutional aid**
 - Merit scholarships
 - Need-based grants
- **Federal aid**
 - Federal Pell Grant
 - Federal Direct Loans
 - Federal Work-Study
 - FSEOG Grant
- **State aid**
 - Vocational rehabilitation
- **Veteran's aid**
 - Chapter 33 (Post-911 benefits)
 - Chapter 35 (Dependent benefits)
- **Private aid sources**
 - Churches
 - Private foundations
 - Civic organizations
 - School district scholarships

The financial aid office assists students and their families with college expenses by helping them identify and qualify for the financial resources needed to achieve their goal of becoming servant-leaders for the church.

Institutional Aid

TORCH SCHOLARSHIPS

CCCB has four levels of merit-based (academic) scholarships available to new or readmit degree-seeking students who begin enrollment in Fall 2020 or after. Students enrolled at CCCB before Fall 2020 are not eligible for one of the Torch Scholarships.

Full-Tuition Torch Scholarship

This top-tier scholarship is competitive. It covers the total of all tuition and fees and is available for select Moberly campus students.

President's Torch Scholarship

This second-tier scholarship is \$4000 per year for Moberly campus students and \$2000 for online students.

Dean's Torch Scholarship

This third-tier scholarship is \$2500 per year for Moberly campus students and \$1250 for online students.

Servant-Leader Scholarship

This fourth-tier scholarship is \$1500 per year for Moberly campus students and \$750 for online students.

Scholarships are disbursed each semester for a minimum of 12 hours per semester. A scholarship will not be increased if the student enrolls in more than 12 hours but will be prorated if the student enrolls in less than 12 hours. Proration of an institutional scholarship will be made if credit hours drop below 12 hours prior to the end of the published **grace period**.

These scholarships are automatically renewed each year, as long as **SAP** is maintained, until the first bachelor's degree is earned at CCCB. President's Torch, Dean's Torch, and Servant-Leader Scholarships can be awarded as long as a student is eligible for continued enrollment as a degreeseeking student for up to 150% of the total hours required for their degree program.

Scholarship Requirements

Academic scholarships are based on a formula of ACT and GPA (for incoming first-year students) or transfer GPA (for transfer students).

- The student must maintain a 3.5 GPA to remain eligible to receive the Full-Tuition Torch Scholarship; eligibility is assessed at the end of each academic year.
- The student must meet CCCB's **SAP** policies.

CENTRAL GRANT

CCCB will award need-based grants to eligible students upon evaluation of unmet financial need as determined by the financial aid office. These funds will be awarded to the student each semester through an award called the Central Grant. The amount will vary, depending upon the amount of funds available each year and as determined by the financial aid office.

Central Grant Eligibility

- Students living on-campus are eligible for the full grant. Commuter students and online students are eligible for 50% of the grant.
- Students in the Torch Scholarship Program are eligible for consideration for need-based aid if they have filed a **FAFSA** and demonstrate financial need.
- Students are highly encouraged to file the FAFSA to be considered for aid eligibility. However, exceptions to filing a FAFSA may be considered on a case-by-case basis.

LEGACY TUITION SCHOLARSHIP

Students who were enrolled at CCCB in Spring 2020 and received the Full-Tuition Scholarship will be awarded the Legacy Tuition Scholarship. This scholarship replaces the Full-Tuition Scholarship. It covers the same amount of the bill that the original scholarship did in order to keep the students' out of pocket costs stable.

Scholarship Requirements

- Scholarship amount is based on a minimum of 12 hours per semester.
- Scholarship amount is reduced by 50% if a student moves to online or off-campus.
- Scholarship amount is reduced by up to 50% if there is academic or disciplinary suspension.

Legacy Scholarship recipients will also be eligible to retain any other institutional scholarships or supporting church scholarships, as long as they remain eligible, for the duration of their enrollment until the completion of a bachelor's degree.

Scholarship Eligibility

- Only students who were enrolled in Spring 2020, either on-campus or off-campus, will be eligible for the Legacy Tuition Scholarship. No new students will be eligible for this scholarship for Fall 2020 or any future term.
- Students who received the Full-Tuition Scholarship are eligible for the full amount of the Legacy Tuition Scholarship in the fall 2020 semester. Institutional aid could be subject to reduction if residency status changes after the fall 2020 semester.

FUNDED SCHOLARSHIPS

Some scholarship funds have been designated by donors for special recipients each year. Those scholarships will be used, where possible, to underwrite the CCCB scholarships and grants awarded. The financial aid office will determine qualifying students, based on the scholarship's criteria, and award the scholarships as part of the scholarship award. A student will be notified of

any funded aid used for the scholarship. The student may be requested to write thank you letters where appropriate.

DUAL-ENROLLMENT PROGRAM STUDENTS

Students simultaneously enrolled with another institution while enrolled fulltime at CCCB are eligible for financial aid through CCCB.

Consortium Agreement

A consortium agreement should be used for any student who is not full-time at CCCB, but will be taking 12 or more total hours in a semester towards a degree program from CCCB. This makes CCCB the student's "home school" where all federal aid will be disbursed. If the student chooses to directly pay the partner school, the consortium will not be granted to the student through CCCB and credit hours not taken at CCCB will not be counted toward federal student aid eligibility.

Articulation Agreement

All hours taken at a CCCB partner school with an articulation agreement must be approved by the vice president of academics for a student to receive full-time status.

TUITION WAIVER PROGRAM

CCCB offers discounted pricing and tuition waivers for CCCB employees and their dependents and full-time employees of other Christian church colleges and universities. Contact the financial aid office for more information.

FINANCIAL AID LIMITATIONS

A student may only receive financial aid for up to 150% of the total credits required for a single degree program. This cap will include the amount of credits a student has attempted at CCCB, as well as all credits that have been transferred into the student's degree program. This 150% restriction applies both to federal and institutional aid awarded by CCCB.

Federal Student Aid FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA)

In order to receive federal student aid, including grants and student loans, the student must file the FAFSA. CCCB's federal school code is 014619. Students who have completed their FAFSA and CCCB's application process will receive a funding estimate listing the federal

and institutional aid for which they qualify. CCCB students are eligible for a variety of federal student aid, including grants, work-study, and loans.

GRANTS

Federal Pell Grant

Pell grants are a form of need-based aid that does not need to be repaid. A student's Pell Grant amount is determined by the demographic and financial information provided for the FAFSA (*see page 110*). Awarding of the grant is based on the student's Expected Family Contribution as determined by the FAFSA, enrollment status as a student, and aggregate Pell Grant eligibility.

Federal Supplemental Educational Opportunity Grant (FSEOG)

This grant is also need based and is awarded to students with very low expected family contributions (which is calculated on the FAFSA (*see page 110*)). This is generally awarded on a first-come, first-serve basis, but exceptions can be made by the financial aid office.

Federal Work-Study (FWS)

This program provides jobs for students who need financial assistance. Students will generally work 5–15 hours per week during the school year. Actual work hours will be determined by each student's supervisor. The amount of earnings must not exceed the student's unmet need. The government provides funding to help pay the wages. Work-study earnings do not have to be repaid. Students wishing to apply for a Work-Study position must fill out a job application at cccb.edu/current-students/studentemployment and submit it to the Director of GPS and Human Resources.

FEDERAL DIRECT LOANS

CCCB participates in the Federal Direct student loan program, which includes three types of loans:

Federal Direct Subsidized Loans

The federal government pays the interest on a subsidized loan for students enrolled in at least 6 hours per semester until students have been in their program of study up to 150 percent of the published program length. Once a student drops below half-time, withdraws, or graduates, interest for a student's subsidized loans will begin accruing.

Federal Direct Unsubsidized Loans

Unlike the subsidized loan, the government does not pay the interest on this type of loan while students are in school. Students may defer the interest charges by

adding these amounts to the principal for future repayment. This loan program is not need-based; it is available to students regardless of their financial need. If students don't qualify for the subsidized loan, they probably will qualify for the unsubsidized loan.

Direct PLUS Loans

PLUS Loans are for parents of dependent students. The PLUS Loan allows parents to borrow up to the cost of attendance not covered by other aid. If a parent chooses, payment may be deferred until the student graduates, leaves school, or drops below half-time.

VETERANS SERVICES

Veterans benefits may be available to veterans of the armed services or their dependents. To begin the application process, visit the Veterans Benefit Page at benefits.va.gov/gibill. Once students have completed the application and receive confirmation of their eligibility from the Department of Veterans Affairs, they need to submit their eligibility information to the financial aid office.

VOCATIONAL REHABILITATION BENEFITS

Students who have a disability may qualify for benefits under a vocational rehabilitation program. Questions concerning eligibility should be directed to the office of vocational rehabilitation in the student's home state or district.

Additional Ways to Pay for School

OUTSIDE SCHOLARSHIPS

CCCB accepts scholarships from a variety of sources, including outside businesses and organizations. Links to the most popular aid websites are:

- fastweb.com
- scholarshipamerica.org
- scholarships.com
- college-scholarship.com

Students are encouraged to check with the leadership and/or missions committee at their church to see if financial help is available to students attending a Christian college.

PAYMENT PLANS

Students may enroll in a payment plan through Nelnet Business Solutions. Nelnet allows them to make monthly

payments throughout the semester or school-year with no interest charges. More information may be found at cccb.edu/financial-aid/payment-plan.

PARENTAL HELP

Students should talk with their parents to see if they are able to help pay college expenses. Parents can also check with their employers to see if there are scholarships or grants available through their places of employment, their life insurance companies, or service clubs.

EMPLOYMENT

Students who wish to work while in school may seek job opportunities in the Moberly and Columbia areas. Check listings in the GPS office, online, and in the newspapers. CCCB offers a limited number of jobs that are not Federal Work-Study. Positions may be available in CCCB's maintenance, housekeeping, and cafeteria departments. Employment may also be available in office work, tutoring, computer and library support. Students who are interested may apply at cccb.edu/current-students/student-employment.

WEEKEND MINISTRY OPPORTUNITIES

Employment in some part-time ministry capacities is generally available in connection with the many congregations within driving distance of the campus. Such opportunities serve to reinforce the Christian education at CCCB as students find immediate application and experience in what they are learning.

PRIVATE LOANS

The financial aid office will certify a private loan for up to the amount of the cost of attendance after all other aid is applied.

Reductions to & Loss of Financial Aid

A student whose financial aid is subject to change will be notified by the financial aid office by email.

FINANCIAL AID WARNING

A student will be placed on financial aid warning if any of the following conditions are true:

- A student is placed on **academic warning**.
- A student receiving federal student aid has not earned a "C" average (CGPA of 2.00) after attending 2 academic years. This means once a student has attended for 4 semesters, regardless of how many

credit hours they have earned, they must have earned a “C” average. If a student is already on financial aid warning, then they will be placed on financial aid suspension.

Students have one semester to regain **SAP** or be suspended from federal student aid. If a student regains **SAP** after one semester on financial aid warning, they will be notified by the financial aid office by email.

FINANCIAL AID SUSPENSION

A student is placed on financial aid suspension if any of the following conditions are true:

- A student is placed on **academic suspension**.
- It becomes mathematically impossible for a student to complete his program within 150% of the published program length.
- A student who had been on financial aid warning due to failing to earn a “C” average after 4 semesters at CCCB does not bring their CGPA to a “C” average after one semester.

Students on financial aid suspension who re-enroll:

- Are not eligible for **institutional aid**.
- Are not eligible for federal student aid.

Once it is determined that a student has regained **SAP**, all internal aid will be restored. For federal student aid purposes, a student must be earning a “C” average after they have completed 4 semesters at CCCB.

FINANCIAL AID PROBATION

A student placed on financial aid probation will have all financial aid benefits restored. A student is placed on financial aid probation for one of the following reasons:

- The student successfully appealed financial aid suspension.
- The student is placed on academic probation because they regained **SAP**, even if they did not meet the **ARP** criteria.

FINANCIAL AID FOR STUDENTS WITH ACADEMIC RECOVERY PLANS

A student on an **ARP** may receive delayed financial aid disbursements until it is determined that they are meeting the requirements of the **ARP**, including meeting with their tutor, studying in the learning lab, and maintaining their initial enrollment status. This is at the discretion of the financial aid office.

FEDERAL RETURN OF FUNDS POLICY

The financial aid office will be informed by the registrar when a student withdraws from a course or exits school. The financial aid office will determine if a student’s financial aid will change.

CCCB uses the U.S. Department of Education’s software to calculate the appropriate return of funds for students who officially withdraw from all classes and have received Federal Title IV financial aid for the current semester of enrollment. CCCB will provide a printout of the calculation formula generated by the software upon request.

Students who leave school at any point in the semester before the 60% mark will be subject to a return of all or some of their Title IV funds. That means that, in many instances, students whose accounts were “paid in full” at the beginning of the semester may end up owing CCCB after withdrawing. Please contact the financial aid office for more information.

RIGHT TO APPEAL

Students have the right to appeal any decision for removal or reduction of scholarships within 10 days of notification. Appeals must be made in writing and delivered to the financial aid office. The director of financial aid, registrar, and the vice president of student development comprise the appeals committee that determines the results of the appeal. Votes may be obtained by individual consultation, email, or meeting vote. Majority vote will rule all appeals.

Students also have the right to appeal existing CCCB institutional aid to request an increase, based on exceptional academic success and/or extenuating circumstances that affect the financial need of the student. This could require an institutional professional judgment completed by the financial aid office. All need-based federal aid must be exhausted before an increase in institutional need-based aid would be considered. Requests for increase of CCCB institutional aid must be made in writing to the appeals committee

Academic Information

Academic Terminology

CALENDAR DEFINITIONS

Academic Year

CCCB's academic year has 3 terms. It begins with a fall semester, followed by a spring semester, and ends with a summer term. CCCB offers courses in each term.

Semester

A 15-week term. Semesters are commonly referenced as Fall or Spring or in the format using the corresponding year:

- FA-21
- SP-22

Session

An 8-week term. CCCB's online courses are offered in sessions. There are two online sessions each semester and one session in the summer. Online sessions are referenced by their session name and the year:

- AUG-21
- OCT-21
- JAN-22
- MAR-22
- JUN-22

Summer term

The summer term length varies depending on the format of the course the student is enrolling in. CCCB offers multiple formats of courses in the summer:

- Online courses
- Independent studies
- Field education experiences
- Focused courses

The summer term is not required, and students who do not enroll in summer courses do not lose their enrollment status from the spring to the fall. Students use the summer term to get ahead in their program, to regain **SAP**, or to do their internship.

TRANSCRIPT DEFINITIONS

Credit

The credit earned upon completion of credit hour courses.

GPA

Grade Point Average is calculated by dividing the sum of final grades in a term by the number of credits taken in that term. The term GPA can affect the student's academic status and financial aid eligibility for future terms.

CGPA

Cumulative GPA divides final grades earned in all terms by credits *attempted* in all terms, including withdrawn courses. The CGPA can affect the student's academic status and financial aid eligibility. In some situations, the CGPA can include credits and attempted credits from other schools.

Classification of Students

Degree-seeking

Students who are actively pursuing the academic requirements of a certificate or degree. They are eligible for federal student aid. To be degree-seeking, students must have:

- Graduated from high school or have a GED
- Applied to be a student at CCCB
- Been accepted by CCCB's admissions department
- Declared a degree program

Non-degree

Students who are not actively pursuing a certificate or a degree and are indicated as non-degree-seeking. Non-degree students are not eligible for federal aid. Such students are:

- **Concurrent high school students**
- **Constituent students**
- **Audit students**

Onsite

Students who are pursuing a bachelor's degree, an associate degree, or certificate offered through on-campus courses and is not designated as an online program are considered onsite students for the purposes of fees and policies.

Online

Students are considered online students if they have declared their program to be an online certificate or an online degree.

Enrolled

Enrolled students have:

- Completed all admissions requirements
- Completed registration for the semester
- Fulfilled payment requirements for the semester

Students may enroll for any term; online students may begin their enrollment in the middle of a semester at the beginning of the second online session. An enrolled student is able to participate in courses.

ENROLLMENT STATUS

Enrollment status indicates the level of hours a student is enrolled. This can affect the student's eligibility for internal and federal aid.

Enrollment status is determined semester-to-semester and can change within a semester due to schedule changes. For online students, credit hours from both sessions within a semester are calculated.

Full-time student (FT)

A student must be enrolled in at least 12 credit hours to be considered full-time and to receive financial aid at a fulltime level.

Three-quarter time student (3QT)

A student enrolled in 9–11 hours is considered three-quarter time.

Half-time student (HT)

A student enrolled in 6–8 hours. For online students, this is the equivalent of 1 course per session.

Less than half-time student (LHT)

A student enrolled in 5 credit hours or less is considered less than half-time. At CCCB, this is equal to one course per semester. LHT students are not eligible for federal student aid.

GRADE LEVELS

A student's grade level classification will change after a semester in which the credits completed qualify the student to be classified at the higher level.

Freshman

Students with less than 30 credits earned.

Sophomore

Students who have earned over 30 and less than 60 credits.

Junior

Students who have earned at least 60 and less than 90 credits.

Senior

Students who have earned at least 90 credits.

Graduate

Students who have earned a bachelor's degree and are enrolled in a graduate-level program.

Academic Deadlines

GRACE PERIOD

The grace period applies to all classes at CCCB. It lasts until the equivalent of at least one full week of instruction. The end of the grace period is also called the drop date.

- Onsite courses: 5:00 p.m. on the Monday after the 1st full week of classes of the semester. See [Moberly Campus Calendar](#) for specific deadlines.
- Online courses: 5:00 p.m. on the 2nd Monday of the beginning of each online session. See [Online Calendar](#) for specific deadlines.
- Focused courses: The grace period ends at 1:00 p.m. on the Monday of the 1st weekend of classes.

WITHDRAW DEADLINE

The last day to withdraw from a course is noted on the semester calendar. Students may withdraw from a course before that date and receive a grade of "W," which will not affect the GPA. It may however affect their [PACE](#) and their [SAP](#).

The deadlines for withdrawing from courses are:

- Onsite courses: 5:00 p.m. on the 11th Monday of the semester. See [Moberly Campus Calendar](#) for specific deadlines.
- Online courses: 5:00 p.m. on the 6th Monday of the course. See [Online Calendar](#) for specific deadlines.

Academic Policies

Academic Policies

All students are expected to follow the academic policies of CCCB in matters of their enrollment and coursework. In situations where online policies differ from onsite policies, onsite students must adhere to the online

policies for any online course taken. Please consult the registrar if there are any questions about academic policies.

Program Policies

ACADEMIC PROGRAM

Students choose their course of study by selecting a program (declaring a major). CCCB offers ministry programs and professional (also called marketplace ministry) programs:

- Bible & Ministry (*see page 34*)
- Christian Counseling (*see page 35*)
- Christian Education (*see page 37*)
- Christian Ministries (*see page 40*)
- Cross-Cultural Ministry (*see page 42*)
- Parachurch/Organizational Leadership (*see page 45*)
- Preaching (*see page 47*)
- Worship Ministry/Arts (*see page 49*)
- Youth & Family Ministry (*see page 51*)
- Partnership Programs (*see page 54*)

Students follow the program requirements according to the Academic Catalog the year they enroll in the program. Upon admittance to CCCB, students are contacted by the registrar to select a program and begin the pre-registration process.

Catalog Year

Students who have an enrollment lapse of one semester or more may be graduated under the catalog in which they initially enrolled if they can complete the requirements within one year of the date their class would have been graduated. Otherwise, reactivating students will be required to complete the degree requirements of the current catalog at the time they re-enroll.

Students who change programs during continuous enrollment may have to change catalog years due to course availability and/or credit transfer. The registrar will determine the best option and makes the final decision.

PROGRESS SHEET

Once a student has declared a major, the registrar creates a progress sheet for the student. The progress sheet is a Google Spreadsheet that lists all requirements for the student's program and shows their progress through it. The document will also include progress for declared minors, additional certificates, and Saints Scholars.

The registrar enters all accepted transfer credits into the progress sheet and updates it each semester with the student's progress. It is shared with the student, the student's advisor, and the academic services office.

Students should refer to their progress sheets for pre-registration for each term. Courses are listed by division and ordered by the standard curriculum sequence. This helps students to know what order to take their courses.

ADVISOR

Students are assigned an advisor according to their program. Students should cultivate a relationship with their advisor that carries them through their academic career into employment. The advisor for onsite students is their program director. The advisor is also the FEE (see page 25) advisor for bachelor degree students. The advisor for online students is the Online Advisor, who advises online students in scheduling and program policies.

ADDING OR DROPPING A MINOR

Students may add one minor to a BA or a BS degree with the requirement of 15 additional credits. One minor may be added to a BRS degree with the requirement of at least 6 additional credits; nine credits of the minor may be completed as part of the student's BRS requirements.

A minor may be added after the student has reached 60 credits of progress towards a bachelor's degree. A minor may not be added after bachelor degree requirements are completed. Students must submit a form to the registrar to add the minor. A student must maintain a 2.00 CGPA in order to continue participating in a minor. Students are not required to take an additional FEE beyond what is included in their major.

Students may drop a minor by submitting a change of program form to the registrar.

PROGRAM CHANGES

Students may change their undergraduate program by submitting a change of program form to the registrar. Program changes may result in a change of SAP and/or grade level. Students should seek the advice of their advisor and/or the vice president of academics before changing.

ADDING A CERTIFICATE OR ASSOCIATE DEGREE TO A BACHELOR DEGREE

Some of CCCB's certificates and associate degrees have the same foundation as some of the bachelor degrees and will transfer easily into any of CCCB's Bible and

ministry programs. The same foundation allows students to chronologically earn a certificate, then decide to continue and earn an associate degree, and then decide to earn a bachelor's degree. These are:

- Certificate of Bible & Ministry (see page 24)
- Certificate of Biblical Knowledge (see page 24)
- Associate of Biblical Studies (see page 24)
- Bachelor of Science programs (see page 23)
- Bachelor of Arts programs (see page 22)

Students who are enrolled in a bachelor degree program are eligible to also earn one of the foundational certificates or associate degree. To do this, students must have completed the requirements for the additional certificate or associate degree and submit a change of program form to the registrar.

Registration Policies

PLANNING A SCHEDULE

Students may plan their schedule by consulting their advisor, their progress sheet, and the standard curriculum sequencing. Students must consider:

- Any pre-requisites
- The level of the course
- The availability of the course
- The format of the course

Course Load

The standard semester course load is:

- Onsite student: 15 credits
- Online student: 12 credits

Course Order

In their first two semesters, students enroll in biblical studies and general studies courses. Students begin their professional studies courses in their second year.

Students should aim to take at least one course from each division (biblical, general, and professional) every semester. Courses should be taken in the order listed for the program, as noted in the student's progress sheet.

PRE-REGISTRATION

Students create their schedules for the upcoming term through preregistration. First-time, transfer and reactivating onsite students will be assigned an initial schedule depending on their academic records. Onsite students should contact the registrar to confirm or change their initial schedule. A student who first enrolls

in the second semester will not be allowed to enroll in classes for which the first semester's work is prerequisite without permission of the instructor.

Pre-registration for returning onsite students occurs at the end of the previous semester and is opened in stages based on grade level so that upperclassmen may have first access to courses. Returning students must visit the registrar to pre-register. Returning online students pre-register by emailing the Online Advisor.

REGISTRATION

A student officially enrolls at registration. Once a student has signed their enrollment agreement, the student is official, is responsible for all charges, and is subject to all policies at CCCB.

New students must have all documents needed for enrollment submitted before they register. Returning students must have any previous balance paid before they may register.

In order to attend classes, a student's bill is to be paid in full by the Monday following registration week. The following exceptions will be honored:

- If a student has completed the process for federal student aid, CCCB will require only that the student pay the obligation that will remain after application of this aid and any internal aid. Completion of the federal student aid process includes completing all forms required to receive the aid, including, but not limited to, the **FAFSA**, satisfying the requirements of verification, and loan documents (if applicable).
- CCCB may consider non-federal awards (from churches, service clubs, or other promised awards) and decrease the payment required prior to attending classes by the amount of such awards only if CCCB receives written notice stating the award name, sponsor, amount, date of disbursement, and notice of no award restrictions.
- A signed payment plan is in place, and payments are current on that plan. However, if the student terminates the plan or defaults on the plan, full payment is due immediately.

If CCCB determines that the student's financial aid will not be available by the paid-in-full deadline, the student shall be notified by email of the remaining obligation. The student shall have seven days from the date of notification to settle the remaining obligation. Nonpayment will result in the student's exit from CCCB.

Moberly Campus Registration

New students may register on several occasions throughout the summer, including during orientation weekend, and students are assigned a registration time by the student development office.

Registration for returning students may register during the designated registration period during each semester and summer. Returning students are responsible for arranging their registration times and completing registration by the deadline.

Online Registration

New online students must have completed the registration process one week before the beginning of the related orientation session. New online students who have not paid for the current session or do not have financial aid in place seven days before the start of the orientation class will be dropped from the class and may start the online program during the next session, assuming payment has been received or financial aid is in place.

All returning online students must have the appropriate registration materials completed three weeks before the first day of the course. Students are to make a payment at least seven days before the first day of the course (or have adequate financial aid in place) in order to remain registered for the class.

Students will be granted access to their current session courses upon completion of all enrollment requirements, including payment for the session/semester. If the student has not paid for the session/semester, or does not have adequate financial aid in place by the end of the **grace period**, the courses for the current session will be removed from their schedule.

Late Registration

Once official registration closes for a term, any registration completed after that time is a late registration. Students who register late are charged a late registration fee and are responsible for any work missed. No student shall be allowed to register after the **grace period**. Exceptions may be made by the registrar in rare cases involving uncontrollable circumstances.

Non-Attendance of Courses

Students who pre-register for a course, sign their enrollment agreement, and do not begin the class will be charged the **exit fee**. Online students who do not begin the Orientation class will be dropped from all remaining courses and will be charged the exit fee. Students are expected to inform the registrar if they decide not to attend.

SCHEDULE CHANGES

Students must submit a schedule change form to the registrar who approves all schedule changes.

Adding a Course

A student may add a course, subject to availability, until the end of the **grace period**. Students are responsible for missed work.

Section Changes

Students may change from one section of the same course to another section during the first three weeks of the semester, but only under the following conditions:

- Open seats must be available in the other section.
- The professors must approve the change.
- Absences accrued in one section are transferred to the other section.

Dropping a Course

A course is considered dropped if it is done during the **grace period**. It will not appear on the student's transcript and will not count as a course attempted in financial aid calculations. Any fees attached to a course will be refunded, and any institutional aid will be reduced to match the student's enrollment status.

Withdrawing From a Course

A course is considered withdrawn if it is done after the **grace period** and before the withdraw deadline. A withdrawn course will remain on the student's transcript with a grade of "W"; it does not affect the student's GPA but will affect the student's completion rate. The student will not receive any refund of any charge, nor will any institutional aid be reduced.

Withdrawing from a course after the withdraw deadline is equivalent to failing the course. The student receives an "F" for the course and does not receive any refunds or reduced aid.

Audit-to-Credit or Credit-to-Audit

If a student has been doing the coursework for an audited course, the student may choose to change the course registration from audit to credit by midterm. The student will then be responsible to pay tuition for the course. A student may choose to change the course from credit to audit within the **grace period**.

TEXTBOOK LENDING PROGRAM

CCCB understands that textbooks can be a large expense for students. Students may elect to participate in the textbook lending program each semester. By

participating in this program, the student receives required textbooks for their courses provided by CCCB. Books for partnership program courses, some workbooks, and other materials that are student specific will not be part of the program.

Textbooks are lent to the student for the period of one semester. If, at any time during the semester, the student decides they would like to own their borrowed textbook, the book is damaged, or not returned by the ascribed due date, the student will be charged 70% of retail cost of the book.

Students may write and highlight in their borrowed textbooks. Damage includes, but is not limited to, broken bindings, missing or torn pages, water damage, or anything that renders the book unable to be used in the future.

Failure to return borrowed textbooks by the deadline will result in a nonrefundable fine of \$25. This rental fine, plus 70% of the retail cost of each book, will be added to the student's account and must be paid before they may enroll in the next semester. Students may appeal these charges up to one month after notification.

Textbooks for Moberly Campus

Students For onsite students, textbooks may only be returned during the week of finals. All textbooks must be returned by 5 p.m. on the last day of finals. It is the student's responsibility to make sure their books are returned during this time frame. Any textbooks left in the lobby of the Reese Resource Center, the library, the library drop box, dormitory rooms or lobbies, or any other area of campus other than the bookstore, will not be processed until after 5 p.m. on the last day of finals and will incur a fine.

Textbooks for Online Students

CCCB will provide shipping of the textbooks to online students. The cost of returning the books is the responsibility of the student. A trackable method through the postal service or UPS is recommended.

All textbooks for online students must be returned postmarked by 5 p.m. on the last day of finals. It is the student's responsibility to make sure their books are postmarked by 5 p.m. on the last day of finals. This date will be provided each semester.

REGISTERING FOR NON-STANDARD COURSES

Field Education Experience (FEE)

Before participating in a FEE, students must:

- Complete **SALT300** Vocational Preparation

- Complete, submit, and get approval for their learning agreement

In order to earn credit, the student must comply with the standards and procedures presented in the SALT300 course. Students will not receive credit for an internship occurring prior to successful completion of SALT300. Transfer students must attend CCCB at least one semester before enrolling in SALT300.

Students must enroll in **SALT301** Field Education Experience to earn credit for the FEE. Credit is given the semester during the FEE is completed. Students may maintain full-time enrollment status through online courses and independent studies.

Working with the vice president of academics, the dean of professional studies, and the student's advisor, a student chooses which term they will complete their FEE. A student may complete their FEE over the course of an academic year, semester or summer session. Students should consider these things when deciding to do their FEE across multiple terms:

- A student who completes their FEE over the course of an academic year must do so in consecutive semesters or sessions.
- A student may request their FEE credit hours be split over two semesters. The FEE would be 1.5 credit hours per semester and will receive a grade for each semester in which the student is enrolled in their FEE.
- When a student uses federal student aid to help pay for their FEE, the credit hours must be applied to the semester or summer term in which the aid is used.

Christian Leadership Apprenticeship (CLA)

The CLA for BRS students is fulfilled by completing the **SALT300** Vocational Preparation and **SALT303** Christian Leadership Apprenticeship.

Independent Studies

Registering for an independent study course requires the approval of both the instructor and the registrar. Students must have a CGPA of at least 2.50 in order to request an independent study. If approved, students must pay an independent study fee. Independent study request forms are available in the academic services office.

Students are limited to one independent study course for each area of study (biblical, professional, general) and to a total of three such courses in a program. Independent study courses must be completed by the end of the registered semester. A student who does not

successfully complete an independent study will not be allowed to register for a different independent study course.

Independent study courses apply to a student's maximum credits attempted in a semester.

Summer Courses

Students may take up to 9 credit hours during the summer months. Students wishing to take more than 9 credit hours must receive approval from the registrar. Students may register for summer courses during the spring semester and up to a week before the courses begin. For an independent study, the student may start as early as the week after commencement and end as late as the day before the fall semester begins, however, they may not be registered until payment is made through personal funds or financial aid.

Auditing a Course

As space is available, students may audit a course for no credit according to the following conditions:

- Current students must have a GPA of 2.50 and either be a Junior level or above or a BRS student.
- Students must pay an audit fee and any lab fees for the course.
- Students must attend all classes. Excessive absences will result in the course being administratively dropped from the schedule.
- There are no refunds for dropping an audit course, even within the **grace period**.

Employees who are approved by their supervisor and complete applicable paperwork can audit any course for free.

REGISTRATION FOR NON-PROGRAM STUDENTS

Dual-Enrollment Students

Dual-enrolled students will be charged the non-degree tuition rate for the first 15 hours of credit taken at CCCB, and will be charged the **regular tuition rate** for additional credit hours. They will also be charged the **nondegree student fee** each term they enroll at CCCB.

A student at another college who wishes to earn a 15-hour certificate from CCCB may do so and continue to pay the non-degree tuition rate as long as they continue to be enrolled as a full-time student at their home institution. If they decide to pursue a higher degree or a certificate from CCCB, they will be charged the regular tuition rate once they are enrolled as a degree-seeking student at CCCB.

Concurrent High School Students

There are two categories by which **high school students** can enroll:

- Earn up to 60 credits (onsite or online) while enrolled in high school toward an Associate of Biblical Studies degree (*see page 64*)
- **Non-degree seeking** while enrolled in high school

Neither of the categories of students are eligible for federal or institutional aid, and are charged the **non-degree tuition rate** up to 15 hours of college credit. They are also charged the **non-degree student fee** each semester they enroll at CCCB.

Non-Degree Students

Students who are not seeking a degree may enroll in courses as space is available. The course may apply to a CCCB certificate or degree in the future.

Non-degree students may register within one month of the first week of the semester, as space is available. They are charged the **non-degree tuition rate** and **non-degree student fee** but are not eligible for federal aid. Non-degree students do not have to meet chapel or Christian service requirements.

Constituent Students

The purpose of the constituent student program is to equip CCCB alumni and professional ministers, including other church leaders, to continue their education, strengthen ministry skills, to advance and enhance servant leadership in the church. Constituent students include:

- An alumni student: Alumnus who have already completed a bachelor's degree may take one onsite course per semester for continuing education & ministry training at no cost, if space is available.
- A professional minister: A minister and his or her spouse may take one onsite course per semester for continued ministry training at no cost, if space is available.

Classroom Policies

CLASSROOM BEHAVIOR

Students help maintain an environment conducive for learning so the classroom experience is successful. A complete policy on classroom decorum is found in the CCCB Student Handbook. Students are expected to be ready to start class on time, stay in class until it is over, save conversations until after class, ask clarifying

questions without creating argumentation, avoid distracting the class through inappropriate behavior, and respect the teacher's authority to set policies.

Students who violate the classroom decorum policy may receive penalties.

1st Violation Warning.

The student will be given a verbal warning by the teacher, either at the time of the violation or the end of class.

2nd Violation Written Notice.

The student will be issued a written reprimand by the teacher, copied to the vice president of academics.

3rd Violation Dismissal.

The student will be officially removed from the class. The appeals committee will hear any appeal by dismissed students. The student may attend class until the appeal is resolved.

The appeals committee of the faculty will hear any petition by dismissed students.

Attendance Polices

CCCB students are expected to be responsible members of a scholarly community. An essential component of ministry preparation is developing a professional work ethic that includes dependability, timeliness, and initiative.

ONSITE CLASS ATTENDANCE

Tardiness

Each student is expected to be seated in the classroom when class begins. A student who arrives in class after the bell rings or leaves class early without permission is considered tardy. A student who misses over half a class period will receive two tardies. Students who leave class for an extended period of time may be counted tardy or absent. Three tardies count as one absence.

Absences

CCCB recognizes two types of absences:

College absences

Absences that result from participation in officially sponsored college activities, such as intercollegiate athletics, approved class field trips, ministry conferences, or admissions or outreach trips on behalf of the college.

Personal absences

Absences that result from sickness, personal/ family emergencies, or ministry-related situations (i.e., weddings, funerals, etc.).

Course work missed due to college absences may be made-up. Make-up work due dates should be pre-arranged with the professor prior to the absence and is subject to the professor and/or course policies. Course work missed due to personal absences may only be made up at the discretion of the professor and is subject to the professor and/or course policies.

All absences count toward the total semester absences for a class.

Excessive Absences

A student may be penalized for excessive absences (more than one week or 7%, but less than 20% of class meetings). The student's grade will be penalized according to the formula given in the syllabus. The penalty may be as much as 10% of the grade for the course, at the discretion of the instructor.

A student who misses over 20% of the class sessions for personal absences will fail the course. If the 20% limit is reached by the midterm grade report, the student will be dropped from the class and receive a grade of "FW" ("failure due to excessive absences and withdrawn"). If the 20% limit is reached after the midterm, students receive a final grade of "F" unless they drop the course before the deadline. A student who meets the absence limit in a consecutive time period will be subject to CCCB's administrative withdrawal procedures (see page 140).

The following chart details the penalties that apply for excessive absences.

	No Penalty	5% Penalty	10% Penalty	Failed
1 class/week	0-1 absence	2 absences	3 absences	>3 absences
2 class/week	0-2 absences	3-4 absences	5-6 absences	>6 absences
3 class/week	0-3 absences	4-6 absences	7-9 absences	>9 absences
4 class/week	0-4 absences	5-8 absences	8-12 absences	>12 absences

Two absences may be counted for each term that a student misses immediately preceding or following Thanksgiving Break in the fall or Outreach Week in the spring.

ONLINE CLASS ATTENDANCE

In order for a student to continue in a course, they must demonstrate ongoing participation and interaction in the course by completing, at a minimum, all three of the following participation requirements for each unit of the course:

- Participation in the forum discussion with at least one post
- Completion of at least one unit assignment
- Completion of the unit reflection in which the student must ask a question of the professor about the course content and the professor has responded to the question

If a student, due to extenuating circumstances, fails to meet participation requirements in a timely manner, the student may complete work after the deadline at the professor's discretion. If work is completed after the deadline, the professor may update the student's participation tracking accordingly.

ABSENCE APPEALS

If a student believes there are extenuating circumstances leading to excessive absences, it is the student's responsibility to contact the vice president of academics with written evidence of the absences (documentation from medical facilities, family members, legal authorities, etc.). The student should continue to attend class and complete assignments while the appeal is being considered by the appeals committee. If the appeal is approved, the student will be allowed to stay in the class. If the appeal is rejected, the student will receive a grade of "FW."

MONITORING ATTENDANCE

In order to ensure students are regularly attending class, the registrar will monitor attendance. If at any time it is evident that a student has either not met attendance for a class or it appears they have stopped attending altogether, the financial aid office will begin investigating whether a student simply withdrawing from a single class and no further action is needed or there is a need for a R2T4, aid adjusted, and exit counseling needed.

Course Work Policies

The basic unit for an academic program is the class. The class and the coursework provide an accountable way for students to gain information, wisdom, and skills for life and work. Students and professors work together to achieve growth.

TEXTBOOKS & COURSE MATERIALS

Textbooks are an integral part of the learning process. Professors select textbooks that will properly inform and support the students throughout the course.

Students are expected to read all textbooks and purchase all required course materials. Required materials may be purchased and/or rented at CCCB's bookstore.

ACADEMIC INTEGRITY

Academic integrity is expected of all students. Students are expected to avoid dishonest means to complete assignments and tests. This includes using plagiarism, using past materials, or cheating to improve performance.

Plagiarism

Plagiarism is defined as using anyone else's intellectual property without attribution. This includes copying materials from another student's term papers, the Internet, or print sources without proper attribution. Also prohibited is recycling material from assignments in other courses without the permission of the professor.

Cheating

Students are expected to demonstrate integrity by not giving or receiving information during any test or examination, or on any other individual assignment, unless the professor so specifies. Past tests or term papers should not be distributed to other students without the express permission of the teacher. Students wanting academic help may obtain it from the Learning Center, but should not receive course materials from past students in a course. Any student having knowledge of an infraction of this principle should report the infraction to the professor, having first confronted the offender to give them an opportunity to confess.

Penalties for Academic Dishonesty

In any case of academic dishonesty, the instructor may choose one of the following courses of action:

- Make the student repeat the test or assignment for full or reduced credit
- Give the student a zero on the test or assignment
- Give the student a failing grade for the course

Once the penalty is assessed, the faculty member will file a written report of the incident with the vice president of academics. Repeated academic dishonesty will result in the suspension or dismissal of the guilty party or parties. Any student accused of academic dishonesty may appeal in writing to the vice president of academics, who will convene the appeals committee to review the case.

LATE OR INCOMPLETE WORK

All work in fulfillment of course requirements is due according to the schedule indicated by the instructor.

Late work is generally not accepted by a professor. Some professors may allow late work, subject to a substantial grade penalty for lateness. Students who know they will miss a test or an assignment due date because of a college-related absence should inform their instructor, in advance, of the absence. Under no circumstances will work for a semester be accepted following the grading period for a semester.

FINAL EXAMINATIONS

The finals schedule is published at the beginning of the semester. Students are expected to take their finals at the regularly scheduled times and plan accordingly. Weddings, airline flights, high school graduations, or convenience are not considered valid reasons to reschedule final examinations. Those who do not take the final at the prescribed time may receive a grade of zero.

PETITION FOR INCOMPLETE

If a course has a major assignment which has not been completed by the end of the course, a student may fill out a petition for incomplete form and ask the instructor for an incomplete grade. This request must be made by the last day of scheduled classes for the term. The student is charged a \$50 fee if approved for an incomplete. A grade of "I" is entered when grades are submitted and counts as a zero towards the student's semester GPA. Approved petitions allow work to be submitted within four weeks after the final exams. After that, all incomplete work receives a grade of zero and the final grade is calculated and included in the student's academic record.

REPEATING A COURSE

A student may repeat a course in a later semester. CCCB allows grade forgiveness for four repeated classes. The grade for a course retaken at CCCB will replace the earlier grade earned. If the course is passed, only the higher grade is used for GPA calculations, although both grades will appear on the student's transcript and both attempts will be included in the student's PACE (see page 136). Any student desiring to take a course again after failing it twice must have the approval of the instructor. Students who fail a course are encouraged to retake it as soon as possible.

Grading Policies

GRADING SCALE

Grades are determined by some or all of the following:

- The student's participation in class discussion
- Tests, quizzes, collateral reading, and projects
- Term papers

- Paper formatting that follows Kate Turabian's Manual for Writers [9th ed.]
- A final examination

Course syllabi may indicate the exact formula to be used for calculating the grades in each course. Professors may occasionally modify the default grading scale in the course syllabus to suit the particular needs of the course. The following grade system prevails:

A	94-100 (4.0)	A-	90-93 (3.7)
B+	87-89 (3.3)	B	83-86 (3.0)
B-	80-82 (2.7)	C+	77-79 (2.3)
C	73-76 (2.0)	C-	70-72 (1.7)
D+	67-69 (1.3)	D	63-66 (1.0)
D-	60-62 (0.7)	F	0-59 (0.0)
P	Student earned at least 80% in a pass-fail course (4 quality points)		
FW	Failure due to excessive absences and withdrawn from course		
W	Withdrawn from a course		
AU	Course was audited by a student, no grade was given		
I	Incomplete grade (temporary)		
IP	In progress (temporary)		

GRADE REPORTS

To help students and teachers track student progress, the semester is divided into two grading periods. At the end of the first grading period, mid-term grades are posted to the student's online portal. A few weeks after the term ends, the final grades and GPA are available online within the student's portal.

Professor Discretion

Teachers have the discretion to create policies on a number of issues; the student is expected to abide by all of them. These may include, but are not limited to, tardiness, food and drink restrictions, late work, usage of electronic devices, not accepting questions until the end of class, or anything that they think will be beneficial to the learning experience. Any student believing that a particular policy is inappropriate should address the concerns in writing to the teacher or the vice president of academics while continuing to follow the policy.

Satisfactory Academic Progress

Satisfactory Academic Progress (SAP) is used to ensure a student is successfully progressing through their degree requirements. There are two components of SAP:

- Qualitative component: Based on the **CGPA**
- Quantitative component: Based on the PACE of progression to ensure completion of the degree within the maximum time frame

Students not making SAP will be placed on either academic alert, academic warning, academic suspension, or academic probation. They will be subject to financial consequences as well.

PACE

PACE (Attempted/Completion Ratio) is a ratio of credit hours earned divided by credit hours attempted. Credit hours earned are credit hours in which the student earned a grade. This also includes credits that many have been transferred into the degree program from another college or university. Credit hours attempted are for classes the student either received a nonpassing grade or withdrew from the class after the published **grace period**.

Withdrawing from too many classes will have a negative impact on PACE and may lead to being suspended from federal and institutional financial aid as well as being placed on academic suspension. Repeating a class may affect a student's CGPA and/or PACE. For the CGPA, the higher grade will be used to figure the student's CGPA. However, both classes will be used in the calculation to establish how a student is progressing through their degree program, in other words, their PACE. CCCB students are only allowed to repeat 4 classes for their degree program.

ACADEMIC ALERT

A student is placed on academic alert when:

1. Their semester GPA is below .70.
2. Their **CGPA** is 2.00 or greater.

The student on academic alert will receive following conditions:

- They must complete an ARP.
- They will be assigned a tutor and must attend scheduled study sessions.

A student placed on academic alert will be notified by the registrar by email. Students who have 2 consecutive semesters of a semester GPA below .70 will be placed on academic warning and academic standards for that status will apply. This will be true even if a student is meeting CCCB's CGPA and PACE standards.

ACADEMIC WARNING

A student is placed on academic warning when either of the following conditions are true:

- A **CGPA** below 1.70 (less than 30 hours earned) or 2.00 (30+ hours earned)
- A PACE below 60% (less than 59 hours earned) or 70% (60+ hours earned)

A student placed on academic warning will receive an email from the registrar. Students who have been placed on academic warning have one semester to regain SAP. The student may re-enroll under certain restrictions:

- An onsite student will make an ARP with the dean of student success for the term.
- An online student will be allowed to take one online class per session until they recover their CGPA to a satisfactory level.
- The student will be placed on **financial aid warning**.

If the student regains SAP after one semester on academic warning, they will be notified by the registrar by email. A student who fails to raise their CGPA to meet their grade level SAP, but did follow the ARP, will be placed on academic suspension and will be notified by the registrar by email.

A student who withdrew from all semester classes before the drop date will not have a semester GPA and therefore will not be considered as a warning or suspended student due to their GPA. However, the dropped classes will be part of the student's PACE for SAP purposes and may result in a change in the student's academic standing if the PACE falls below SAP standards.

ACADEMIC SUSPENSION

A student is placed on academic suspension if the student has not regained SAP after a semester on academic warning. A student placed on academic suspension will receive an email from the registrar. Suspended students may enroll with the following limitations:

- The student must successfully reapply to **enroll in classes**.
- The student cannot be **degree-seeking**.
- The student may only take two classes in a semester.
- The student may not live in on-campus housing without special permission from the vice president of student development.
- The student will be placed on **financial aid suspension**.

While academically suspended, a student who has earned 30 or more credit hours may regain SAP by regaining **CGPA** of 2.00 and a PACE of 70%. A student who has earned less than 30 hours of credit, may regain SAP with a CGPA of 1.70 and have a PACE of at least 60%. Once it is determined that a student has regained SAP, the student may become degree-seeking.

Academic Suspension Appeals

A student on academic suspension may appeal the suspension within 10 days of receiving notification in order to enroll the following semester. Students will be given instructions in their email from the registrar on the process for academic appeal. They will go to cccb.edu/academics/policies/academicappeal and submit the appeal form. If the appeal is not granted or the student chooses not to appeal within 10 days, they may appeal to enroll in future semesters. If the appeals committee approves the appeal, enrollment may be reestablished and the student will be placed on academic probation. The registrar will notify the student of the appeal results by email.

ACADEMIC PROBATION

A student who successfully appeals academic suspension is placed on academic probation. The student will have one semester to regain SAP or be placed on academic suspension. The student may re-enroll under certain restrictions:

- Onsite students will make an ARP with the dean of student success for the term.
- Online students will be allowed to take one online class per session until they recover their CGPA to a satisfactory level.

While on academic probation, a student must establish and follow an ARP. Students on academic probation must earn a semester GPA of at least 2.00 and a PACE of at least 67%. Failure to follow the ARP will result in academic suspension the following semester. However, a student who regains SAP, even if they did not meet the ARP criteria, will be cleared. The appeals committee will determine the standing of each student on a case-by-case basis.

ACADEMIC RECOVERY PLANS

An Academic Recovery Plan (ARP) for students on academic alert, academic warning, or academic probation may consist of the following components:

- Limited credit hours for the semester
- Retake any failed class(es) offered that semester
- Enrollment in **GCA031** Private Study Skills with a personal tutor
- Enrollment in Student Success class
- Restrictions on online or focused classes

Within the components, the dean of student success may customize the plan based on the student's needs or add additional items if it is deemed prudent. This will be decided on a case-by-case basis.

Copies of the plan will be kept in the files of the academic services office, the financial aid office, and the **Learning Center**. The student's tutor will meet with and counsel the student throughout the semester to ensure that the student follows the ARP. If a tutor finds that the student is not following the ARP, the tutor's supervisor will notify the dean of student success who will take appropriate action in order to provide further counseling for the student. At the end of each semester, the registrar will report each student's ARP success to the financial aid office via SAP reports.

Exit Policies

LEAVE OF ABSENCE

A Leave of Absence (LOA) allows students to return and complete a degree after one or two semesters away from CCCB. LOA applications are available in the academic services office and on CCCB's website. An approved LOA may last up to two consecutive semesters.

In order to receive an LOA, the following criteria are required:

- The student must have a CGPA of 2.00.
- The student must have all bills paid to CCCB.
- The student must be registered the semester immediately preceding the request for the LOA.
- The student must have no pending disciplinary action (dismissal, suspension, or probation).
- The student must submit documentation for an extended Field Education Experience, Medical LOA, or approved studies at another institution.
- The student may only apply for an LOA prior to the first semester in which the LOA would apply.

Results of a leave of absence:

- The student is allowed to pre-register for the next semester's classes as if currently enrolled as a student.
- The LOA is an academic leave of absence. For federal student aid purposes, students will be withdrawn from school and a Return of Title IV funds calculation will be completed if a student leaves in the middle of a semester. Exit counseling will be completed with the student or exit counseling information will be sent to the student if they are not available for a one on one interview.
- The student will withdraw from CCCB.

EXITING SCHOOL

Onsite Exit Procedure

A student who wishes to withdraw from CCCB at any point in the semester must go to the student

development office and explain the situation to the vice president of student development or his designated representative. After that meeting, a student may begin the withdrawal process.

Students must do the following before classes can be officially dropped:

1. Meet with a representative of the student development office to initiate the process.
2. Conduct an exit interview with a representative of the financial aid office, if applicable
3. Withdraw from all classes with the registrar
4. Meet with the Account Manager or vice president of business & finance if the Return of Title IV calculations creates a balance owed on the student's account
5. Check out with the Residence Hall Director, if applicable
6. Return keys, student I.D., and library materials to CCCB
7. Provide forwarding address

Students who initiate the exit process by the end of the **grace period** will be refunded their tuition and student fee but are liable for the **exit fee** and **orientation fee**. The student is also responsible to pay for any outstanding charges that are not removed from their student account or other purchases made at CCCB. This includes any charges accrued in the library, bookstore, or Harvest House.

Students who leave after the grace period do not receive a refund of tuition or the student fee, are not charged the exit fee, and are responsible for any unpaid charges accrued in the library, bookstore, or Harvest House.

Students who appeal for a refund and the refund is approved will receive a "W" for all withdrawn courses.

Online Exit Procedure

Online students wishing to withdraw from all classes and exit from school must notify the online advisor. The online advisor will process a change of schedule and send it to the student to sign.

If an online student drops all courses for both sessions during the current session's **grace period**, they will be charged the **exit fee**.

If an online student withdraws from all courses for the semester after the current session's grace period, they will not receive a refund.

SUSPENSION FROM SCHOOL

Students who are suspended or dismissed from CCCB must complete the withdrawal process to avoid receiving

an “F” in every class. Suspended or dismissed students leaving after the **grace period** will receive a grade of “F” unless they meet one of the exceptions for an approved withdrawal. They are not charged the exit fee but are subject to the grace period in regards to refunds.

ADMINISTRATIVE WITHDRAWAL

Students must demonstrate they are participating in each individual course in order to receive federal student aid and to continue in the course.

If it is determined a student is no longer meeting the participation requirements for a course, the financial aid office will evaluate the student’s participation in all courses for the term to determine if a student has ceased participation and if a Return of Title IV calculation is needed for federal student aid, and the registrar may initiate the exit procedure for a student. If a student is withdrawn from all classes, the registrar will notify the student development office.

Onsite Administrative Withdrawal

If an onsite student has exceeded the allowable number of absences in a class or has had 3 consecutive weeks of absences, the professor may request the student be withdrawn from the class. The registrar, through attendance monitoring, may initiate a review by the professor to determine if a student needs to be administratively withdrawn from a class.

Online Administrative Withdrawal

Students will be administratively withdrawn from all courses for the semester if they have not met all three participation requirements for the first Unit 1 of each course.

Students will receive a grade of “FW” for a course, if they have not participated for two or more weeks. The professor will notify the registrar of non-participation. If the **withdraw deadline** has not passed, the student may be given the opportunity to withdraw before receiving an “FW”.

A student who has not paid their student account by the end of the **grace period** will be dropped from the course. Payment may be made through personal payments, financial aid, or a payment plan.

REFUND APPEALS

The refund policy may be waived if any of the following are documented:

- A student has received orders to report for Active Duty in the Military.

- A student is suspended in an effort to rehabilitate and is expected to do so.
- A student becomes unable to attend school due to a medical condition.
- A student’s immediate family has an emergency because of major illness, death, or other family loss which would cause undue hardship for the family if the student remained enrolled. A written request must be submitted by the student’s parent or guardian and the student explaining the situation and requesting a withdrawal for the semester.

Documentation for refunds must be given to the vice president of business & finance. Approved refunds are based on the date of submission. If a student’s exception is approved, credits will be applied to the student’s account in the following manner:

- During the first week, the student will be eligible for the grace period **exit fee**.
- After the **grace period**, refunds will be prorated according to the academic ratio and room & board according to the number of days remaining in the semester.

Refunds are given for the student fee and room & board fee. No refunds will be given on any other fees or charges, including single room charges. The student is responsible to pay for any charges made in the bookstore, cafeteria, and Harvest House and can do so by using their financial aid.

Graduation & Honors GRADUATION REQUIREMENTS

Degrees are awarded to those who have satisfactorily completed the following:

1. At least 30 credits earned at CCCB
2. All course requirements as outlined in the student’s chosen program
3. A minimum CGPA (see page 118) of 2.00
4. Evidence of Christian character as demonstrated by compliance with the CCCB Student Handbook
5. Submission of an intent to graduate form
6. For students completing an associate degree or a BRS degree in the semester of degree completion, submission of:
 1. An experience essay
 2. A ministry reference
 3. A professor reference
7. Approval by the faculty after the intent to graduate form is submitted
8. Completion of all institutional assessments

Responsibility for understanding and meeting graduation requirements rests entirely with the student.

The intent to graduate form should be submitted by the first day of the student's final semester. Students are encouraged to submit the form in the spring semester when fewer than 42 credits remain for completion the next May or fewer than 20 credits remain for completion the next December. Early submission allows the student to receive the advising necessary to complete all degree requirements.

A student may participate in the commencement ceremony only if all requirements are completed by the end of the spring semester. This includes FEEs and CLAs, independent studies, online courses, all official transcripts received from previously attended colleges, and passing all courses taken in the final semester.

Diplomas are only released when all requirements are complete and payment of all financial accounts due CCCB has been made.

ACADEMIC HONORS

Dean's List

Recognizes students each semester who earn a minimum 3.50 semester GPA with at least nine credits attempted.

Delta Epsilon Chi (DEC)

Recognizes graduating seniors who demonstrate superior achievement in academics, leadership, and Christian service as members of the academic honor society of the ABHE (*see page 10*). DEC awards are selected by the faculty.

Servant-Leader Award (SLA)

The SLA is an honor awarded by their peers for one female and one male senior student who have provided an outstanding example of servant-leadership for the campus community.

Departmental Awards

Other awards specific to departments are chosen by faculty members and recognized at the annual Honors Chapel.

Valedictorian & Salutatorian

Granted to the students with the highest and second highest CGPA, respectively. To qualify, students must have earned 90 credits from CCCB, complete the final 30 credits of their degree at CCCB or a partner institution, and graduate within ten semesters of original enrollment.

Cume Laude

Bachelor's graduates with at least 60 credits taken at CCCB and have an exceptional GPA:

- Cum Laude: GPA of at least 3.50
- Magna Cum Laude: GPA of at least 3.75
- Summa Cum Laude: GPA of at least 3.90

HONORS CHAPEL

Academic honors are awarded each year at the Honors Chapel, held the day of Commencement.

COMMENCEMENT

CCCB holds one Commencement for all campuses in the spring following final examinations. Graduates are recognized for their completed degrees in a public ceremony.

POST-CCCB GRADUATE PROGRAMS

As a nationally accredited institution, CCCB has many bachelor's degree recipients who are accepted into graduate programs at universities and seminaries. Seminaries often give preferred admissions and standing to students from Bible colleges. Recent graduates have been accepted into master's programs at Biola, Central Methodist University, Concordia Seminary, Dallas Theological Seminary, Emporia State University, Fort Hays State University, Gordon-Conwell Theological Seminary, Harding University, Hope International University, Indiana Wesleyan University, Johnson University, Kentucky Christian University, Liberty University, Lincoln Christian University, Lincoln University, Midwestern Theological Seminary, Stephens College, Talbot School of Theology, Trinity Evangelical Divinity School, and Wheaton College.

Academic Services

Learning Assistance

Students who are in need of academic support are identified and provided with resources to improve their performance. Students may voluntarily request learning assistance in the form of a tutor.

SAINTS SUCCESS PROGRAM

Saints Success is an academic support program to support students as they transition to college or seek to maintain academic health. The support consists of person-to-person tutoring, lab classes, and accountability and is overseen by the Dean of Student Success. Students may be required to participate in the program if they have been placed on an academic status.

LEARNING CENTER

Students are expected to complete all coursework individually. However, limited assistance is available through the Learning Center, located in the Reese Resource Center. The Learning Center provides help with proofreading, accountability, planning, computer usage, and study strategies. In addition, it provides proctoring for examinations that students must take outside of class time. Allowing a test to be made up is at the instructor's discretion. The Learning Center will follow that policy. Proctored examinations must be taken by a deadline set by the instructor. Students with disabilities who need extra time or services, such as reading questions, may schedule to take exams in the Learning Center.

PRIVATE TUTORING

A tutor may be available for any student who is failing a course at any time during the semester. When a student encounters academic trouble, the instructor may notify the dean of student success, who will assign a tutor to the student. Availability of such help is subject to the tutorial staff's overall workload.

DISABILITIES ACCOMMODATIONS

CCCB will comply with the provisions of Title III of Americans with Disabilities Act as a public accommodation, and will provide reasonable accommodation to persons otherwise qualified who follow CCCB's ADA procedures, inasmuch as the reasonable accommodation does not constitute an undue burden or fundamental alteration for CCCB. A person with a disability is someone who has a physical or mental impairment, has a record of such impairment, and/or is regarded as having such impairment. A student is considered a qualified student with a disability if he or she can meet all standards and perform all functions required for admission, participation, and continuation in CCCB's programs and activities.

CCCB will make any appropriate and reasonable adjustments for students with disabilities to ensure accessibility to academic activities (courses and examinations) and non-academic activities (admissions and recruitment, admission to programs, academic adjustments, housing, financial assistance, and counseling). Students desiring help with a disability must notify the vice president of student development of the disability, provide current and comprehensive documentation concerning the nature and extent of the disability, and articulate their needs for the disabilities service provided on campus. Complaints concerning disabilities compliance can be presented to the student development office.

Graduate Placement Services

The *Saints Graduate Placement Services (GPS)* office equips and empowers students and graduates to serve Jesus in the church, market place, and mission field. The goal is to assist students and alumni as they prepare to take the next step in their vocation, degree, or professional careers.

To aid in the development and better understanding of personal identity, Saints GPS offers introspective discussion, spiritual gifts and skills assessment, and workshops on varying subjects. For students and alumni seeking help in the area of vocation and jobs, Saints GPS services include:

- Maintaining a database of active service-learning and FEE (*see page 25*) opportunities
- FEE documentation and tracking
- Help with job searches
- Career coaching
- Network development
- Resume writing and proofreading services
- Interview skills development
- Workshops on varying subjects
- On-campus job applications

Saints GPS also partners with Student Services to provide students the opportunity to grow spiritually, academically, and professionally in areas such as discipleship and mentoring, co-curricular transcripts, and portfolio development.

Transcripts

Past students may print their own unofficial transcript using the student portal or pay a transcript fee for each official transcript. A signed request is required using the transcript request form available in the academic services office or online at cccb.edu/academics/transcript-request.

Any remaining balance on the student's account must be paid before an official transcript will be released. Current students who have paid the **student fee** may request up to 3 free official transcripts per semester.

Students need to allow 7–10 days for a transcript to be processed. Transcripts for a third party must remain sealed to be considered official.

Areas of Study

Bible & Ministry Program

Students focus their study in Bible more than with any other degree. Classes in introduction, content, and interpretation characterize this course of study. Students take courses in Old Testament, New Testament, and biblical theology. Students also receive a solid core of general studies courses and have the opportunity to create their own curriculum in professional studies.

PROGRAM CONTACT

Christian Counseling Program

Students in the Christian Counseling program will learn how to identify needs and offer appropriate help to people facing different situations. They accomplish this through a careful evaluation of counseling theories and application of those theories through a biblical worldview. They understand situations requiring counseling, demonstrate good counseling skills, and are able to apply biblical truths to those situations.

Program Director

Dr. D. Kris Small
krissmall@cccb.edu

Program Objectives

1. Identify possible service opportunities within the field.
2. Examine the need for counseling ministry and evaluate how their own giftedness can be used in that role.
3. Integrate the areas of psychology, theology, and spirituality into the work of Christian counseling.
4. Recognize the legal and ethical issues that influence the work of Christian counseling.
5. Recognize the key theories, terminology, and practitioners in the field of counseling.
6. Examine the needs of clients and choose intervention strategies to provide regular counseling treatments.
7. Meet requirements to enter graduate programs that advance the students toward licensure as a professional counselor.
8. Participate in a field education experience in which they perform and/or observe pastoral care and counseling under the supervision of an experienced counselor within a church or community setting.

Christian Education

Christian educators inform God's people for their development and service in God's kingdom. The Christian Education program helps students understand the characteristics, needs, and developmental tasks for learning in all stages of human development. Students learn to prepare age-appropriate lessons that present biblical truth to the needs of learners. Students also develop the leadership role of evaluating products and resources that are available to assist the educational ministry of the church.

PROGRAM DIRECTOR

Dr. Jim Estep

jimestep@cccb.edu

PROGRAM OBJECTIVES

1. Develop critical thinking skills founded on a biblical worldview in order to prepare age-appropriate lessons that communicate and apply biblical truth to meet the needs of students.

2. Acquire a foundational knowledge of educational theory, child development, and the systems of education in order to implement an effective system of discipline and classroom management based on a Christian philosophical foundation.
3. Demonstrate technological and technical skills required for competent classroom instruction.
4. Identify, understand and apply principles of human development including the characteristics, needs, and developmental tasks across the human lifespan with a holistic view of the child in the classroom.
5. Develop multicultural and diversity competencies appropriate to include all people regardless of disability, gender, race or ethnicity.

Teacher Preparation Certificate

For the Teacher Preparation Certificate (TPC), students prepare for state licensure to teach in public schools through the *American Board for Certification of Teacher Excellence (ABCTE)* (americanboard.org). ABCTE offers an online, independent study program that prepares students to become a licensed teacher. ABCTE is a state-approved route to full teacher certification in Arizona, Arkansas, Florida, Idaho, Mississippi, Missouri, New Hampshire, North Dakota, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Utah, and Wisconsin.

Enrollment Options

- Concurrent certificate with bachelor's degree: Students may complete ABCTE during their senior year and add a Teacher Preparation Certificate to the BA, BS, or BRS degree.
- Dual-enrollment: students may complete the requirements for the BRS degree and enroll at another college to complete the requirements for state licensure.

Career Options

A minimum CGPA and completion of the ABCTE program are required to apply for state licensure. The requirements and approved certifications for each state are listed online at americanboard.org.

- Elementary school teacher
- Secondary school teacher

Christian Ministries

Students in the Christian Ministries program are not limited to one area of emphasis. They pursue ministry training that fits their talents and ministry goals. Students are exposed to interpersonal, public, and organizational issues that apply to all ministry settings. They evaluate their own giftedness to discover how they may best meet the ministry needs of the Kingdom of God. Students learn to apply truths gained from ministry classes to practical situations in the contemporary church.

Program Director

Brandon Bradley

brandonbradley@cccb.edu

PROGRAM OBJECTIVE

1. Articulate a biblical philosophy of ministry.
2. Execute the principles of biblical discipleship.
3. Develop a biblical, theological, and practical foundation within multiple ministry specialties.
4. Develop as a servant-leader for ministry.

Collaborative Education With Moberly Area Community College

Through transfer and/or dual-enrollment with *Moberly Area Community College (MACC) (macc.edu)*, students earn marketplace credits at MACC while gaining Bible and ministry training at Central with the benefit of the Christian campus community. Central students receive discounted pricing for MACC career courses while dual-enrolled with Central.

For more detailed information regarding MACC programs and courses, see *MACC Catalog 2021-22* at macc.edu/images/aboutmacc/catalogs1/2021-22_MACC_Catalog.pdf.

ENROLLMENT OPTIONS

- Bachelor of religious studies—Missional Occupations (BrsMO) + Certificate OR Associate Degree: Students earn a bachelor degree from CCCB and a certificate or associate degree from MACC. The 32-credit certificates or the associates degrees meet the professional studies requirement of CCCB's Brs degree. In some of these programs, the credit requirement is more than the Brs requirement. Throughout the program, students will enroll full-time at CCCB, dual enroll with CCCB and MACC, and enroll full-time at MACC; the order these mixed enrollments occur depends on the program the student enters.
- Linear path: This path is for students who are primarily enrolled at MACC but want a Christian college environment and influence during their first two years. This path works for students who want to use their Missouri A+ Scholarship or who are qualified for the Missouri Bright Flight scholarship. Students living on campus at Central must take at least one class per semester at Central. Linear Path students will take 14–24 credits at CCCB and 40–50 credits at MACC. Linear Path students are not eligible for college athletic teams at Central.
- Reverse transfer path: This path is for students who are primarily enrolled at CCCB but might transfer to a university after two years. A CCCB student is able to pursue either a ministry degree or a transfer

Cross-Cultural Ministry

Students in the Cross-Cultural Ministry program will learn missiological principles and strategies that influence the development of cross-cultural ministries. They will develop a ministry strategy that prepares them to enter a mission field. Students will be able to equip a church to be actively involved in supporting missions.

PROGRAM DIRECTOR

Dr. Micheal Curtice

michealcurtice@cccb.edu

PROGRAM OBJECTIVES

1. Examine the need for cross-cultural ministry and evaluate how their giftedness can further the task of evangelism and edification within the church, community, and world.
2. Analyze the main ideas of various world religions, traditions, and cultures in order to evaluate a biblical worldview in the 21st century.
3. Recognize significant missionary efforts in church history and the restoration Movement in order to evaluate major cultural issues that affect cross-cultural ministry.
4. Describe the missional nature of God, the inherently universal nature of the Gospel, the biblical paradigm of the mission, and the responsibility of the church to achieve the mission of God.
5. Learn to communicate the biblical truths in cross-cultural contexts using sound biblical principles in living and sharing the gospel message.
6. Practice the facilitation of cross-cultural ministry through building and leading teams in ministry.
7. Prepare a missions strategy and implement the various effective methods of establishing such in a variety of ministries.

Worship Ministry

Worship is a vital aspect of the life of every disciple as well as the Sunday morning worship gathering. The person responsible for planning the worship service, choosing the songs, and leading the congregation in worship needs to be not only a skilled musician, but a trained theologian, a compassionate shepherd, and a passionate worshiper of Jesus. The Worship Ministry program is designed to train, equip, and mentor students to excel in all these areas to serve the kingdom in worship ministry. We build on a solid, foundational core of Bible and theology through a combination of classroom teaching and practical hands-on experience in music, arts, tech, and practical concerns of leading a worship ministry.

PROGRAM DIRECTOR

Sheri Tesar

sheritesar@ccb.edu

PROGRAM OBJECTIVES

1. Become passionate, faithful worshippers of God.
2. Articulate a philosophy of worship that is consistent with a biblical theology.
3. Execute the principles of biblical discipleship within the context of worship ministry.
4. Present the scriptures accurately with an informed biblical foundation for worship leadership.

5. Plan and execute a theologically and scripturally sound corporate worship service plan.
6. Demonstrate proficient skills in musicianship, technology, and leadership.

Credits: 3

BTH 300: Women of the Bible

Examining the lives and impact of various women in the Bible.

Credits: 3

BTH 311: Theology of Worship

Surveys the theological development of worship from the biblical through modern eras. Special consideration is given to helping students carefully examine worship music and practices in current and historical contexts.

Credits: 3

BTH 312: Theology of Missions

A comprehensive biblical study of the missionary intent of God as it progressively unfolds in the Scriptures, with special focus on its significance for the missionary task today. A particular emphasis on the people of God in both the Old and New Testaments is developed. Issues involving salvation, world evangelization, the kingdom, and the dynamics of spiritual warfare are discussed to help the student develop a personal, biblical theology of missions.

Credits: 3

BTH 314: Theology of Soul Care

This course provides a systematic overview of Christian doctrines, a discussion of various theological viewpoints regarding those doctrines, and an examination of how psychological and theological concepts relate to each other. The course will provide the student the theological foundations to serve and counsel more effectively in the local church and community contexts.

Credits: 3

BTH 325: Advanced Biblical Theology

Addresses the biblical doctrines of predestination and election, sovereignty of God, sinfulness of humanity, the person and work of the Holy Spirit, and events surrounding the return of Christ and the end times. Students are challenged to examine competing doctrinal systems in the light of Scripture.

Credits: 3

BTH 332: Evidences of Creation

An overview of the scientific evidence for the biblical teaching on Creation. The importance of this topic is stressed in light of its implications for all biblical theology. A distinctively Christian worldview is set in strong contrast to the secular humanism and evolutionary paradigms that often influence scientific thought in our present culture.

Credits: 3

BTH 342: Apologetics

Students are introduced to topics such as: proofs of God's existence, the problem of evil, and the question of miracles. The evidence substantiating the truth of Christianity is reviewed. Consideration is given to evidences supporting the historical reliability of the documents of Scripture. Supernatural evidences establishing the deity of Christ such as fulfilled prophecy, miracles, and especially the resurrection are investigated. The inspiration, infallibility, and inerrancy of the Bible are defended on the basis of the authority of Christ.

Credits: 3

BTH 370: Bible Backgrounds

Focuses on areas of study which provide a foundation for reading and understanding Scripture. Such areas include archaeology and anthropology to supplement historical and human understanding. A history of literary theories of the Bible is examined. Contemporary issues in scholarly research are also studied.

Credits: 3

BTH 395: Saints Scholars Independent Research

Selected readings in theology are assigned. A minimum of 1,000 pages of reading for each credit and a final research paper or project are required for the course.
