

The **Sponsoring Church Scholarship (SCS)** is designed to strengthen the relationship between Central Christian College of the Bible, our students, and churches they serve or attend. Working together, we develop servant-leaders for the church.

A student who is sponsored by a church giving at least \$600 per year will receive a SCS scholarship worth \$750 each year (up to \$375 per semester). This scholarship may be applied to the student's educational fees or room & board costs.

Student Responsibilities

1. Make a short presentation to your church's leadership or missions team and request sponsorship.
2. Give this form to a church representative to complete.
3. Complete all information and sign this form.
4. Submit this form to financial aid by the end of the registration period the first semester attended each year.
5. Grant information consent if requested by the church.

By signing this form, the student understands the following:

- ❖ I will not receive any remaining SCS if the church does not honor its gifting pledge.
- ❖ I must submit this form yearly to keep receiving the SCS.
- ❖ I will not receive the SCS as a cash refund if my other funding sufficiently covers educational charges at CCCB.

I give consent for the church representative to receive semester grades and attendance information.
