## Loan distribution

All students will receive their federal loan funds directly from the Federal Government through the William D. Ford Federal Student Loan Program. Generally, loan requests will be divided into two (2) equal parts for distribution. Half of the loan will be distributed during the fall semester and the other half during the spring semester. Once your loans have been certified, the estimated disbursement dates will show on your student portal. Once the college has received your loan monies, the status on your portal regarding your student loans will change from PENDING to APPROVED.
